Your connection to the Wyndham Robertson Library

MEET KAREN RYAN

We are very pleased to announce the arrival of our new circulation coordinator, Karen Ryan! Karen is in charge of circulation which means she manages reserves, checkout procedures, and is the staff member you will see the most behind the circulation desk. We caught up with Karen to ask her a few questions.

Q: What is your academic background?

A: I graduated from the University of North Carolina at Charlotte with a Bachelor of Arts degree in English.

Q: What did you do before joining our library?

A: For the past decade, I was the Circulation Coordinator for Randolph College's Lipscomb Library in Lynchburg, VA.

Q: What do you like to read?

A: Like most people I know, I have pretty eclectic taste. If I had to narrow it down to some of my most-read genres, I find myself

reading paranormal and urban fantasy fiction, and non-fiction subjects such as mythology and ancient religions most frequently. I was introduced to Neil Gaiman's *Sandman* series two decades ago and he has continued to be one of my favorite authors. I re-read *Good Omens: The Nice and Accurate Prophecies of Agnes Nutter, Witch* by Neil Gaiman and Terry Pratchett at least once a year.

Q: What else would you like to share about yourself: hobbies, fun facts, life goals?

A: I love games (video, board, tabletop RPG, etc.). I can quote most of *Monty Python and the Holy Grail* and *The Rocky Horror Picture Show*. I eat my M&Ms one color at a time.

ONE HUNDRED THOUSAND EBOOKS ADDED

The library is pleased to announce that we are now subscribed to the EBSCO eBooks database, giving the Hollins community access to 100,000 new eBooks. eBooks have become increasingly popular and the library has substantially expanded our holdings. To put the number into perspective, the library currently holds about 255,000 books, which means the new eBooks increase our holdings by over one third!

Our new collection of eBooks is available through the EBSCO eBooks database. To access the collection go to the library's homepage, click on "Books" in the "Find" section, and use the eBooks widget on the far right. From there you can search for an eBook the same way you would search any other EBSCO database – by keyword, title, author, et cetera. Additionally, you can perform a full-text search of all of the eBooks by clicking on "eBooks Advanced Search" underneath the widget and selecting "TX all Text" from the drop-down menu.

All of the eBooks available through EBSCO can be viewed on your computer or through a variety of eReaders. To access a book on your computer, click on the title of the book and then click on the "eBook Full Text" link on the left side of the page. Downloading a book to your eReader requires a few more steps. Go to the library's homepage, select "Books" under the "Find" tab, and then select "eBooks Help" on the right side of the page. EBSCO eBooks currently supports viewing on the iPhone, iPad, Nook, Android, Sony Digital Readers, and COOL-ER. For more information about our new eBooks or for help please email askref@hollins.edu, call the reference desk at 540.362.7465, chat with us online, or stop by the reference desk at the library.

AWARD-WINNING BOOKS

Finding your next great read just got a lot simpler. The library now has a course guide for award-winning books! Literary awards are diverse and abundant, so this guide covers twenty of the most well-known awards. Our coverage of award winners begins with 2009 and will continue to be updated as new awards are announced.

What are the benefits of reading an award-winning book? To begin, you know that the quality of the work is excellent. Each award remains relevant by finding and honoring literary gems. Secondly, since each award recognizes works for different reasons, you know that the literature fits within a certain genre, style, or category. For example, if you enjoy books that deal with social justice and cultural issues, you can rely on a Bellwether Prize winner for a fulfilling read. Finally, the library collects all of the prize winners profiled on the library guide for your reading pleasure. Each one of the books listed is available at the Wyndham Robertson Library or at Fintel Library at Roanoke College.

To access the Award-winning Books library guide, go to:
www.libguides.hollins.edu/awardwinning

If you have comments or would like to suggest other awards to be included in the guide please contact Maryke Barber at mbarber@hollins.edu or 540.362.6592.
