For the National Board I have attended several conferences of other organizations, such as the AAUN. I have made four major speeches this year in different parts of the country and will speak and chair some of the meetings of a Seminar the National Board is holding in connection with the UN Commission on the Status of Women in March. Another week-long seminar will be held in Washington for YW members from from all over the US which my committee is responsible for. I will chair this and speak at some of the meetings. I have also written several articles for the YWCA Magazine, and will hold a State Legislative Workshop in Albany next month.

For the League I have written one article for the Newssheet this year, served my turn on luncheon committee and in shop, and am getting together the material I have accumulated for the last three years as Easter Seal chairman for the League area.
