Greetings to 1933 and to All Other New Students

This little book carries you a hearty welcome to the opportunities of Hollins College. The gates of the College stand wide open to receive you. We are eager to share with you the intellectual activities, the traditions and, spirit of Hollins together with all the tangible and intangible values that go to make up the life of this College. But the College cannot give you a single thing. You can get from college only what you seek with diligence, sincerity, and intelligence.

I hope you will think of us not as teachers and officers who want to impose tasks and shut you in with restrictions, but as friendly folk devoted to helping you to find out what your most fruitful capacities are and how to train yourself to be a better companion to yourself and a more useful person in your community all the days of your life. Believe we are interested in nothing so much as helping you to make the best of your chances.

The day you arrive at Hollins you become a member of a self-governing community, with the duties and responsibilities of citizenship. This citizenship is one of the most stimulating things Hollins has to offer you. It will make you more social, more co-operative and responsible in all your relations everywhere.

The most challenging, and I had almost said dangerous, thing you will meet at Hollins is the honor principle of student life. Study it. Through
the application of this principle in academic work and in social life you will grasp many of the searching problems of the next four years. At Hollins those who have come before you have developed a student government that makes effective the honor principle of freedom with responsibility in all departments of college life.

We welcome you to our College, and yours. We hope that you will increase more and more in the Hollins spirit till you come to love Hollins as we do.

Faithfully,

Your Dean,

MARY WILLIAMSON.

May, 1929.

THE Student Government Association of Hollins College is composed of all students, and is founded upon the principle of honor and self-reliance. It purposes to represent and to further the best interest of the student body, to secure cooperation between the different organizations, and to promote responsibility, self-control, and loyalty among the students.

With such ideals the fundamental principle to be recognized is that of individual responsibility, not only for one's self but for the entire group. This necessitates a clear and comprehensive understanding of the ideals of a student group thus organized. It implies a recognition of the spirit as well as the letter of our laws, and a thoughtful and sympathetic consideration of all phases of student life. From this will follow an active cooperation, and a sincere interest in upholding the history, ideals, and spirit of our College.

Faculty Rulings

Matriculation

On arrival at College the student reports first to the Social Office for assignment to her room. A first-year student is given at this time a card introducing her to her faculty adviser, with whom she must have an interview before reporting for matriculation.

Preliminary to matriculation, the student must secure a receipt from the business office, showing that she has complied with the initial requirements as to payments.

The student then reports to the registrar for matriculation.

All students are expected to be present at the first chapel exercise, seven p. m. Thursday, September 19th.

Those registering later than this must pay a registration fee of $5.00.

The final day for completing matriculation is Friday, September 20th.

No student may take up or drop a course without written permission from the Registrar.

Class Privileges

No student shall be eligible for membership in any class organization or entitled to privileges appertaining to such class until officially informed of her class standing by the registrar.

Hours of Work

No student shall carry less than thirteen hours (including physical education and music) nor more
than sixteen hours of work (exclusive of physical education), except by special permission of the Classification Committee. In this estimate music, with one hour a day practice, is counted as two hours.

No prescribed course may be carried over to the senior year, except by special permission of the Classification Committee, which is rarely granted. A senior may, by special permission of the Classification Committee, be allowed to carry as much as eighteen hours of work. In such case she must resign all offices listed on Page 20.

1 year-hour with Grade “A” counts three merit points
1 year-hour with Grade “B” counts two merit points
1 year-hour with Grade “C” counts one merit point

Grades made on repeated courses or on re-examinations are not counted in estimating merit points.

For graduation with honor the student must receive an average of two and three-tenths merit points on each hour taken for the entire college course.

Session Honors—To attain Session Honors the student must average two and three-tenths merit points for each hour taken on the work of the session.

Scholastic Requirements for Certain Privileges

Merit points required in applying the above rule:

No first year student will be eligible for athletic points before the end of the first semester if she has been reported as unsatisfactory in more than one course in the preliminary report of her work submitted at the end of the first six weeks of the session.

Freshmen are not allowed to leave the College for dances or overnight visits during the first eight weeks of the session.

A student who fails in two subjects on the semester's report shall be required to resign all offices listed on Page 24.

Exceptions are made only for extraordinary reasons.

Regulations for Absence From Classes

I. These rules are made by the faculty and are administered by the registrar. The registrar has power to interpret all debatable matters that arise regarding the rules. Each student must keep her own record of absences, together with the date of each absence. This record must be presented to the registrar in case of over-absence; each instructor must file with the registrar daily a list of all absences from his or her classes during each day.

II. For the following reasons, a student may take as many absences as are deemed necessary by the registrar:

A. Illness of student. (Excuses for illness must be accompanied by a doctor's certificate.)

N. B. Engagements with dentist and oculist are not classified as illness.

B. Serious illness or death of a member of the student's family.

C. College business, subject to the regulation concerning scholastic requirement for leaving campus.

III. In addition to these excused absences, a student is allowed sixteen cuts during the school year, eight cuts each semester. All laboratory work missed for reasons other than illness of the student, or serious illness or death of a member of the student's family, must be made up at the convenience of the instructor and of the student with a fee of one dollar an hour.
IV. Absences incurred on account of organized field trips will be excused, provided these trips do not exceed one day per course per semester. All organized field trips shall have precedence over extra-academic activities.

V. Students who at any time are reported as unsatisfactory, shall, during the next two months of the school year be allowed no absences (except for reasons listed in Section II and for weddings in student’s immediate family) in the subject in which they are reported as unsatisfactory. If a cut should be taken in an unsatisfactory class, the student must take a written examination for each cut with a fee of two dollars for each, and each of these cuts will count as two cuts.

VI. If one of a student's unexcused absences is absence from an announced written lesson, the student receives a grade of "F" on that written lesson, without privilege of making up the missed lesson. An excused absence entitles a student to make up a written lesson.

VII. If a student takes more than eight absences during the first semester, she loses her cutting privileges entirely in all subjects for the remainder of the school year; if, during the second semester, a student takes more than eight absences, her grade in each subject in which an over-absence occurs is lowered one grade letter. A student who over cuts must take a preliminary examination for each over-cut, and pay a fee of two dollars for each.

VIII. No absences may be taken on the two days before vacations at Thanksgiving, Christmas, Founder's Day, and Easter, or on the two days before the mid-year examination period, or on the first two days of the second semester, or on the first two days before the final examinations, except for serious illness of the student or in the student’s family. Students absent from classes the two days immediately following the holidays at Thanksgiving, Christmas, Founder's Day and Easter, will be required to pay $5.00 for each class missed, and each cut will count as two cuts, except in case of serious illness of the student or in the student’s family. A doctor's certificate is required stating the specific nature of the student's illness.

IX. A student who absents herself from classes (or any one class) more than twenty-five per cent. of the semester must repeat the semester’s work, unless her professor recommends to the registrar an acceptable plan by which the lost work may be made up.

X. No student may attend another section of her class than her own.

XI. No excuses for absence from class will be accepted unless presented at the Registrar’s Office within three days after termination of the absence. Each student will be held responsible for filing her own Infirmary excuse.

XII. Students participating in May Day will not have excused absences.

_Honor Students_

Students who average two and three-tenths merit points for each hour taken on the work of the previous session shall be known as Honor Students, and exempt from all regulations regarding absence from class except those pertaining to announced writtens, laboratory work, and holidays.

(54)
The students in this group may use their own discretion about attending required lectures and entertainments. Any student who fails to maintain the standard of work required for this group will be dropped from the Honor Roll at the end of a semester.

Honor Students shall not be limited in the use of Dean's slips.

In addition to the academic requirements, to belong to this group, a student must be a good citizen of the College community.

Faculty Committee on Non-Academic Activities

Whereas, It is desirable to avoid over-burdening individuals and groups with non-academic activities;

Be it Resolved, That all projects and subsequent programs for non-academic activities shall be submitted to the Faculty Committee on Non-Academic Activities for regulation, whether it be approval, modification, or rejection. "Non-academic activities is construed to include all public performances, which appeal to the College community and the public generally for patronage and support, and stunts involving three or more hours of preparation, bazaars, pageants, fashion shows, May Day, dramatics, and similar activities. Organization
The Chairman of Religious Services plans for the Sunday Devotionals and for two morning watch services a week. The work of the World Fellowship Committee is to bring international questions to the attention of the students in order to create a sympathetic understanding between the students of the world. The social service work consists in helping worthy families in the neighborhood of the College, in working with the county health nurse, in preparing Christmas boxes and a Christmas party for the children, and in forming clubs at the grammar school near by. The department in charge of social activities acts as the welcoming committee to the incoming Freshman Class by planning social events for its entertainment. Through the undergraduate representative, contact with the National Y. W. C. A. work is secured. Interesting work is carried on between the Campus Industrial Committee and the industrial girls in Roanoke. One of the special features of the Y. W. C. A. work consists in securing noted speakers, at least two a year, who give a series of lectures on youth problems of the day.

Membership
Active membership is voluntary. All students are associate members and all meetings are open to both faculty and students.

Cust oms and Traditions

That part of college life which makes it distinctive is its traditions. When you become a Hollins student you not only enjoy those customs which have been handed down by the long line that has gone before, but you have a share in adding to the traditions of your alma mater.

THE Y. W. C. A. PARTY

On Saturday night, September 22d, you will have the opportunity of meeting everyone informally. Each year the Y. W. C. A. gives a party, the first student affair, to which every one is cordially invited to get acquainted and to have a good time.

TINKER DAY

October, at Hollins, is a month of pleasurable suspense until Tinker Day is announced. On that day, the date of which is never known until that morning, all Hollins hikes to the top of Tinker Mountain for a day of fun. The Seniors serve a regular picnic lunch and each class gives a stunt. You can’t afford to miss one of the best of Hollins’ good times.

THE HALLOWE’EN PARTY

On the night when witches spy and black cats rally, you will be invited to the Hollins Hallowe’en Party. It will be sufficiently spooky and exciting to delight everyone.

The freshmen have charge of the decorations, which add so much to the occasion.

THANKSGIVING DAY

To start this day off right, a beautiful and appropriate service is held in the Chapel in the morning. Then comes the big hockey game of the season, played between the Odds and Evens. That night the athletic banquet is given in honor of the teams.

CHRISTMAS PAGEANT AND CAROLS

At the time when everyone is looking forward to going home, the pleasure is heightened by one of the loveliest events of the year. A Christmas Pageant is presented under the auspices of the Dramatic Board on one night preceding the Christmas holidays.

In the early morning of the day on which the vacation begins you will be awakened by the Choir with lighted tapers who will sing Christmas Carols beneath your window.

WHITE GIFT SERVICE

One night preceding the Christmas holidays the Y. W. C. A. holds an impressive service at which each class presents a gift, an ideal which it will seek to realize.

CHRISTMAS DINNER

On the last night before the Christmas holidays the dining room is lighted by candles on the snowy Christmas trees placed in the centers of the tables. Dinner on that night is a banquet of celebration.

FOUNDER’S DAY

Perhaps the time when we come closest to the realization of what Hollins has meant and can mean is Founder’s Day, February 21st. When the
morning service is closed with the Founder's Day Hymn we are inspired with the consciousness that "lifting our eyes to the mountains, we too, are dreaming a dream."

MAY DAY

Early May Day morning the Sophomore Class goes "a-Maying." As a result each Senior finds a May basket outside her door.

Before breakfast the children on campus ("Peyton University") crown their queen under the blossoms of the dogwood tree.

In the afternoon the Hollins May Queen is crowned and a gorgeous pageant is given under the direction of Freya.

CLASS SINGS

Each class has one day of the week on which it sings. At the ringing of the first triangle for lunch the class assembles on front-campus and walks and sings class songs until the ringing of the last triangle.

YEMASSEE-MOHICAN GAME

The second Saturday in March is the date of the big Yemassee-Mohican basket ball game. Cheering your team on to victory is indeed exciting.

When first she passes through the gates of Hollins, the Hollins student inherits a wealth of tradition, a heritage that was begun in 1842 and has been constantly enriched through the years. In 1842 the Valley Union Seminary was founded where Hollins now stands, and in 1846 Charles Lewis Cocke, a young man with a great vision for woman's education, came to take charge of the struggling Seminary. Putting not only all his worldly goods but his whole life into the building of the school, Mr. Cocke led the institution through the trying days of its infancy and the troubles of the Civil War until his death in 1901, when Matty L. Cocke became president.

In 1927, as an editorial from the Richmond News-Leader puts it, "the Cocke family made a legal reality of what had always been their ideal; they offered to convey the entire property to a board of trustees, without reservation of any sort, except that the sum necessary to assure the future of the college, $650,000, should be raised for endowment. In other words, a family that had put all the effort of three generations into one enterprise, and had made that worth more than a million dollars, gave it away—gave to an ideal everything they had..."

"There never has been anything like it in the history of education in Virginia, perhaps no parallel in the United States. People who do not know Hollins and the family that has directed its affairs cannot believe the thing possible. But everyone who does know Hollins understands. And everyone who understands wants his own dollar to share in the same consecration. A man is ennobled when his life touches that of some great ideal. So is his money."

We, as students at Hollins, are in closest contact with a noble ideal. The alumnae and students have begun and progressed far in the work of raising the endowment fund which will perpetuate Charles L. Cocke's dream. It is our great privilege to carry it on toward consummation.
Helpful Hints

(1) Never be late to anything.
(2) Do not fail to bring your Catalogue and Hand Book with you.
(3) If you play tennis, bring your racquet; and if you like sports be sure you try for one of the teams.
(4) Bring hammer, scissors, tape measure, and a knife.
(5) Bring any pictures, or pillows that you may have, to make your room attractive.
(6) Bring walking togs, woolen knickers, sweater, wool stockings and comfortable low-heeled shoes.
(7) Bring two laundry bags—one for your room and one for the washer-woman.
(8) Bring a white dress.
(9) Bring old costumes for parties.
(10) Be responsible for your own possessions. Valuables kept in students' rooms are left at the owners' risk.
(11) Learn the Hollins Songs.
(12) This is a place to make friends, so don't play with one girl exclusively. There are 350 in College.
(13) Begin well! Bad work the first semester may handicap you through the whole year.

Hollins Songs

THE GREEN AND THE GOLD

(Words by Phoebe Hunter, 1909; music by Alma McConihay, 1910)

I.

O fair maiden Spring, what hue will you bring
To our cause from your own sunny sheen?
You have brought for your part the hue nearest your heart,
And spread Hollins' hillsides with green.
And you, frosty Fall, the most brilliant of all,
What color for us do you hold?
You have laid your fair hand with its torch on our land,
And set our trees flaming with gold.

II.

The Green and the Gold, we have loved it of old,
And to it we will ever be true.
For the memory will last of the days that are past,
And linger, dear Hollins, with you.
For life, when we're young, is a song that is sung,
And must pass as a tale that is told,
But honor and praise, to the end of our days,
We will render the Green and the Gold.
III.
And still at the thought of the good she has wrought,
   Each heart must with gratitude thrill—
So to Hollins we'll sing 'till the mountainsides ring.
Our jewel of woodland and hill.
There are true, loyal friends that our college life lends,
   And treasures of life manifold,
And may kind fortune bless with eternal success
Our Hollins, the Green and the Gold.

FOUNDER'S DAY HYMN
(Words by Miss Loulie A. Snead. Music by Prof. Erich Rath)

I.
Where are the dreams of the dreamer?
   Roseate they flashed in the dawn,
Instinct with promise of sunrise,
   Of service to ages unborn.
Eager and restless and honest,
   Daring, aspiring, and bright—
Where is the vision? 'Twas holy;
   Can it be lost with the night?

II.
We are the dreams of the dreamer.
   Think you his vision could fade?
Saw you his eyes as he journeyed?
   Know you the price that he paid?
Ours the fruition of gladness,
   Ours the light and the gleam—
Lifting our eyes to the mountains,
   We, too, are dreaming a dream.

III.
Guard you the dreams of the dreamer,
   Quiet the ways that he trod.
Held in its chalice of mountains,
   Hollins lies open to God.
Simple and earnest and daring,
   Friendly and quiet and true;
Such was the dream of our Founder,
   Such was his ideal for you.

H-o-l-l-i-n-s, Hollins, rah!
Our Hollins College, we'll sing to you,
Pride of Virginia's land.
We love you, yes, we do, dear Hollins,
Long may we cherish thee, love and adore,
Sing, praise and honor forevermore.

I.
To the mountain peaks we lift our eyes
   And our hearts grow strong and free,
The clouds that drift in Hollins skies
   Bring visions of dreams yet to be.
With a glorious hope and strength of you
   Oh, spirit of Hollins, make us true!

II.
The golden sunshine glistens above
   And the fields are bright with flowers,
Our hearts are singing with joy and love
   In a world full of happy hours.
Live in our hearts forevermore,
   Oh, spirit of Hollins, we adore.
Hollins is our ideal,  
Memory immortal,  
Echo of golden days  
Through tradition's portal.  
Soft her spirit is always bringing  
Courage strong in its flight to me,  
We will ever sing her praise;  
Hollins is our ideal  
Of the happiest days.

Now raise a cheer that will echo loud for Hollins dear,  
Lift your voices high, we will do or die,  
Singing praise of the Green and Gold  
As free as her guardian mountains,  
As true as her skies of blue.  
Our hearts and our voices joining,  
Hollins, in praise of you.

Chorus

So we'll cheer for our College dear,  
Hollins for you.  
We'll fight, each one of us,  
We love you, yes, we do, dear Hollins.  
Long may your praise resound  
From far and near, so we'll fight, fight, fight, fight  
For Hollins dear.

LEVAVI OCULOS

(Words by Dorothy Sheffey Baldwin, '28  
Music by Mary Atkinson, '25)  
(Hollins Prize Song 1924–1925)

I.

O Hollins, in the first clear, golden days  
Of youth, we feared the hills that shut us round.  
And loved the easy, pleasant valley ways,  
And meadows of green grasses, flower-crowned.

II.

We trod the beaten path that others made,  
And did the worn-out things that others do,  
And never knew that we were half afraid  
To follow in the footsteps of a few.

III.

But you reached out and took us by the hand,  
For you are old and you are very wise,  
And turned us to the hills, and made us stand,  
Spoke, and said to us, "Lift up thine eyes."

IV.

Now we have left the lazy road that lies  
In pleasant valleys, and have sought the heights,  
For we have lifted up our startled eyes  
And seen the mountain gold with sunset lights.
HOLLINS, TEMPLE OF OUR HEARTS

(Words by Dorothy Sheffey Baldwin, '28;
   music by Vera Howard, '29)
(Hollins Prize Song 1926–1927)

I.
Hollins, temple of our hearts,
White thy slender pillars gleam,
As the golden light departs,
Casting shadows on the stream.
Soon upon their silver stalks
Stars will blossom in the night,
While the moon in beauty walks
Through her garden of delight.

II.
White as columns dimly seen
Down the tree-walled aisles of shade,
Clear as starlight's crystal sheen
Burns thy fire that shall not fade—
Altar fire of faith and trust
Shining through the somber years,
Kindled from the common dust
Of our mortal hopes and fears.

III.
We forever guard thy shrine,
Decked with lovely wreaths of mirth;
All our ardent youth is thine,
Thine the fragrance of the earth.
Every gift thou didst bestow
We shall offer thee again,
That thy stately walls may grow,
Treasured in the hearts of men.
