ORGANIZATION OF FREYA HOLDS FIRST REUNION

The honorary organization of Freya is celebrating its first reunion May 2d to 4th. Although this organization was founded in 1921, and although there have been many members to return to the campus for May Days, for Commencements and for Founder's Day, there has never been a designated reunion. Traditions have been handed down, standards followed, and plans made for the future, but by a small group.

This year, for the first time, steps were taken towards organizing a real reunion and all alumnae members were deeply invited to return to Hollins and be its guest over the week-end of May 2d. This date was chosen because it is the date set for May Day when Freyas all over the country are thinking of the future of Freya. Hollins is in a period of transition and it shall continue as an organization the development of Hollins. This afternoon the installation of a new Council is as follows: Friday evening at 10:00 o'clock a model pledging and initiation service was held in order that older members might see the changes that have grown up. Saturday morning there were informal discussion groups when the alumnae met with the present members to discuss the future of Freya. Hollins is in a period of transition which has brought a crucial moment for this organization for the question is being raised whether it shall merge out into a national organization such as Martian Board, or whether it shall continue as an organization the development of which has been wrapped up with the development of Hollins. This afternoon the May Day production took place at 3:00 o'clock. Tonight the annual May Day Banquet will be held at the Patrick Henry Hotel and buses will leave the Science Hall at 6:30. Following the installation of a new Council is

MAY DAY PAGEANT IS PRESENTED AT HOLLINS

MISS ELEANOR WILSON IS CROWNED MAY QUEEN

The honorary organization of Freya presented its annual May Day this afternoon in the Forest of Arden. The performance was a dramatic interpretation of the following story:

The Queen of May and Robin Hood

It is in the days of Robin Hood in Sherwood Forest. A large assembly of ladies and gentlemen have gathered to witness an archery tournament. Just as the contest is about to begin a band of outlaws rush upon the scene. They, too, wish to compete in the contest. Order is soon restored and each man is given his chance at the target. Robin Hood, leader of the outlaws, wins the tournament and the privilege of choosing from the ladies of the court his queen of love and beauty. He then makes his choice and places the crown upon his queen's head, and she ascends the throne while he sits at her feet.

The company present then begins, for the entertainment of their queen, a series of dances. The ladies and gentlemen dance the stately minuet and, not to be outdone, the little maids and pages present their mock minuet. A band of wandering gypsies pause to dance with tambourines. One of their number, Alan-a-Dale, sings. The court fool capers and the outlaw archers dance next and in homage place their bows and quivers at the feet of the queen. But the gaiety of the scene is interrupted! Sheriff of Nottingham enters pompously, demanding Robin Hood, on whose head is a heavy price for the slaying of the king's deer. For a moment it looks as though the festivities will have a serious ending. But the queen, who may ask any favor on the day of her reign,

INSTALL NEW STUDENT GOVERNMENT COUNCIL

The Student Government Council for the session 1930-1931 was installed at Convocation, Wednesday evening, April 30th. The 1929-1930 Council took their places on the platform and Eleanor Wilson, retiring president, made her last address to the Student Body.

The old Council then filed off of the platform and their places were taken by the Council-elect. Miss Pollard, in her speech of acceptance, said that the Council of 1930-1931 would attempt to cooperate with the Administration, Faculty and Student Body. In return they asked not sympathy, but understanding, for Council is a part of the Student Body and they cannot make constructive moves without the help of everyone. Progress will be attempted toward more vital and more constructive public opinion. In conclusion, Miss Pollard stated that the work being done cannot be measured in terms of the present, but a perspective viewpoint must be established in the criticism of the work done by Council.

Hollins Receives $10,000 for Library Improvements

Hollins has received from the Carnegie Corporation notice of an appropriation of $10,000 to be used for the improvement of the Library. This sum, payable $5,000 annually for two years, beginning 1929-1930, and $5,000 payable in 1931-1932, being appropriated to Hollins College for the development of its Library and for the purchase of books.

NEW POLICIES
"The old order changes and gives way to the new," as Student Life falls into the third set of hands who have directed its destiny many years hence. We are the first to admit that not all of our readers will approve of the new regulations, but the hope is that all will respect them. We shall not necessarily approve of the old regulations in every respect; but this cannot be done without the cooperation of the Student Body. The Forum was established for you to express your opinions on campus problems and difficulties. It will continue to do this work, although it is since the last issue. This is not to say that the spirit has not been kept up; but during this time it has been on a lower plane and improved.

During the past session it was necessary to do more than issue a week's notice of any change to be announced at an early date by Dr. Keesler; following, it will endeavor to make every student keep a look-out for these notices and save them.

Report of Joint Legislative Committee is Given.

As a great many people probably know, Hollins is at this time sending out a great deal of information to different newspapers in order that the College become better known, and receive the recognition due it. Probably many of you have seen extracts about yourselves in your daily papers or have heard that they were published. This campaign is being undertaken for the endorsement fund and, therefore, vitally concerns everyone. Miss Helen Gegenheim, who is doing this work would appreciate it if you would cut out these clippings and give them to her in the business office. A scrap book is being kept and it is necessary to obtain as many of these as possible. We would appreciate it if every student would keep a look-out for these notices and save them.

STUDENT FORUM

At the special Convocation Tuesday night, April 15, 1930, Miss Williams, Chairman of the Joint Legislative Committee, presented to the Student Body, the work of that Committee for the session of 1929-1930. She emphasized the clause in the Constitution that the work would not be completed until the student representatives had interpreted the changes to their respective classes.

Miss Williams then reported a letter from the Legislative Committee. It is the desire of the Student Body to continue the campaign of the past year. The committee has been in a position to see what the student representatives are doing, and is sure that the work will be continued with great ability. The committee has made the following recommendations:

1. A student will be granted to all students, at the request of the Student Council, if such are registered before 10:30 p.m. and juniors are in their dormitories at that time.
2. There must be no communication on the part of juniors and seniors with freshmen and sophomores after 10:30 p.m.
3. These regulations show that the Joint Legislative Committee has been working hard and its members are to be congratulated on the amount of work which they have accomplished during the past year.

Members of Music

Faculty Give Recital

The program of violin and piano music presented Monday night, April 26, by Frances O'Neil and Miss Anna Macondal was indeed a treat. On the whole, the program was well balanced and delightfully executed. Especially to be noted was the Palmerica in E major, by Liszt, that Miss Macdonald rendered with finished skill. The Shepherd's Dance and Der Jongleur offered a pleasing contrast to the Haydn music. The four violin numbers made a delightful finale. The selection, Samuel Gardner's famous, that has had the praise of a concerto of Paul Whiteman's orchestra. was a mixture of op- eratic and modernism. It seemed to be a salute to American music. However, it was an interesting contrast to a highly enjoyable evening.

The program was as follows:

1. Recit: Fantasie—Arranged for piano by Liszt; String Quartet, Op. 79, No. 2
2. Gloria: Sanctus, Op. 6—For violin and piano; Allegro con Brio; Allegretto; Quantando
3. III-Lieder: Polonaise in E major
4. IV—Laud: Symphony Espagnole; Allegro non troppo
5. V—Balladen: Shepherd's Dance; Der Jongleur
6. VI—Cantil: Lullaby; Kreutzer: Polonaise: Rondelle: Native, Sacred, Gardenia: Jana.ita
Trip to New York by Bus is Enjoyed by Students

The trip up to New York on the bus made a tremendous success, judging by the fact that they even thought about the return in the first place. With the nearness of the New York skyscrapers, it was exciting. The journey itself, however, was not considered as good as might have been expected, mainly because of the unrelenting heat. This is somewhat to be expected, as if found that 120 degrees was unprecedented. They go on to say that the advantages—what 2 hours later, the bus was 190 degrees, and they could barely get off the bus in twenty-two hours. Ten of the students were missing in total. All of the bus were feeling a little "tripping wound." The bus driver did not even attempt to solve the problem, as he had no difficulty selecting their own daughters from the three with whom they slept in the door as the bus drew up in front of the terminal.

The return journey was greatly entertained by a stop in Littleton to see the Easter Festival. The Fair was on in full swing and the parade which delayed the trip for about three-quarters of an hour. It was a big success, with green and white crepe paper costumes in every possible combination. The weather was hot and the air seemed to vibrate. It seemed that almost every man, woman, and child in the vicinity took part in the celebration. After the parade had passed there was a short wait while everyone boarded eats (and, incidentally, hot dogs) as specialties of the carnival. The last lap of the journey was finally completed and at about seven o'clock the gates of Hollis more appear before the weary travelers.

Interesting Facts About Foreign Summer Schools

The following are the first and second terms of a number of interesting schools:

LATIN AMERICAN SUMMER SCHOOL

This school is for Latin American affairs, which makes a summer study in that language and in Spanish-speaking countries. The opportunity to learn something more helpful as "where is the summer school?" is admirable. The students will become the diplomas or the historians of the countries they visit. The school will be held in the summer of 1935.

LATIN AMERICAN THROUGH INTERNATIONAL STUDIES

More and more of us who spend our vacation studying various cultures are finding that an English summer school led to something more helpful as "where is the summer school?" is admirable. The students will become the diplomas or the historians of the countries they visit. The school will be held in the summer of 1935.

PhD or Masters

PhD or Masters in Latin American Studies is also a rarity. The number of students at the International Schools is greatly increased over the number of students at the American schools. The opportunity to learn something more helpful as "where is the summer school?" is admirable. The students will become the diplomas or the historians of the countries they visit. The school will be held in the summer of 1935.

Endowment Carnival to be Held May 10th

The Endowment Committee and the Monogram Club will combine and give a carnival in the Forest of Arden on Saturday, May 10th. The proceeds of this endowment carnival and therefore everyone is urged to be present. The plan, established last year of substituting for the annual Monogram Club party met with hearty approval and will, therefore, be repeated. The joint committees are spending much time in working out amusements and planning stunts. Supper will be served by the Junior Class and everyone is urged to save their pennies for the fun to be had.

Some of the features will be: The Fortune Telling Booth, a Crazy House, Movies of Princeton, the captains of next year's teams in accordance with the custom of the Monogram Club parties, and the final athletic awards of the year will be made.
