The Hollins community awaits the arrival of the Class of 1961 with real interest and great enthusiasm.

The appearance of new faces and the revealing of new ideas and new interests have traditionally been a source of revitalization to our entire campus. We are looking forward to your participation in the life of our community, and we are sure that you will find Hollins has much to offer intellectually, spiritually, and socially.

This handbook is an invaluable little almanac that will acquaint you with Hollins life before you arrive. But the picture it presents in black and white cannot convey the real spirit of Hollins. This all-pervasive spirit can only become a part of you as you become a part of Hollins. And this is an unforgettable experience.

Sincerely,

WYNDHAM ROBERTSON, President
Student Government Association

Your decision to come to Hollins also entails your acceptance of the mores of the Hollins community. The system of our community is based on the honor and integrity of each individual member. We feel that this is the strength of our community.

To be recognized as an individual involves a number of related responsibilities. Only by the continuing effort of each of us to accept these obligations can we retain this system as our way of life. We know that you as maturing individuals wish to be recognized as such and will be willing therefore to accept your freedoms and corresponding responsibilities in the Hollins community.

Sincerely,

ALICE BURROUGHS, Chairman Honor Court

Each girl who comes to Hollins is respected as an individual and especially so by the Christian Council. She will find that we endeavor to help her discover a way of life that will be best for her. In doing this, the Christian Council is a channel through which one may acquire a growing knowledge of God in unselfish service to others.

With your help, we wish to create a genuine spirit of love and friendship among the girls at Hollins and make our school a place of affirmative and creative living.

Sincerely,

ELIZABETH VANN, Chairman
Christian Council

A. STUDENT GOVERNMENT ASSOCIATION

The Student Government Association of Hollins College is composed of all students, and is founded upon the principles of honor and self-reliance. It purposes to represent and to further the best interest of the student body, to secure cooperation among the different organizations, and to promote responsibility, self-control, and loyalty among the students.

Because the Association is not static, but dynamic in its attempt to achieve a more ideal government, responsibility rests on each student to make a conscious and continuous effort to uphold and improve it. Individual responsibility for oneself and for the entire group necessitates a clear and comprehensive understanding of the ideals of a student group thus organized. It implies a recognition of the spirit as well as the letter of our laws, and a thoughtful and sympathetic consideration of all phases of student life. From this will follow an active cooperation and a sincere interest in upholding the history, ideals and spirit of our college.

I understand that a plea of ignorance will not excuse my failure to keep this pledge.

As a member of the Student Government Association, every girl shares its obligations and responsibilities as well as
its privileges and therefore must be willing to coordinate her own standards with those of the community as embodied in its regulations. She must accept responsibility for her own conduct and must also cooperate in reminding others of their obligations to Hollins in case of nonconformity.

e. The Committee on Points shall enforce the point system. Upon receiving an appeal, however, the committee may, if it deems it advisable, make exception to the rules governing the point system, with the exception of scho-
elastic regulations. The chairmen of all non-recorded committees must be approved by this committee.

The committee shall be composed of the secretaries of all classes and one additional member appointed by Executive Council from the Junior Class. The Vice-President of Student Government shall act as chairman.

f. The Funds Committee shall plan and coordinate all fund raising drives: The Community Chest, The Red Cross, The World Student Service Fund, etc. The chairman of the committee shall be appointed by Executive Council. The other members of the committee shall be chosen by the chairman and approved by Executive Council.

g. The Committee for Coordination of Campus Organizations shall be composed of the heads of all campus organizations. The purpose of this committee shall be to coordinate campus activities. The chairman of this committee shall be the Vice-President of Student Government.

ARTICLE II.—Recording System

The recording system, a method of classifying the officers of campus organizations, is governed according to the Point System for Recorded Student Offices.

ARTICLE III.—Budget System

A budget system shall be maintained by the Student Government Association to control the expenditures of the Association. Money for this fund shall be collected through compulsory student budget dues, paid by November first, and from advertising in the publications procured by the Advertising Board, which shall be composed of the editor, the business manager, and the assistant business manager of each student campus publication. A student not paying her student government fee by the end of the second week of November will go on automatic strict campus until the fee is paid. The budget is operated according to the special regulations of the budget system.

ARTICLE IV.—Amendments

Any amendment to these By-Laws shall be presented in writing to the President of the Student Government Association, and shall lie upon the table at least one week before being voted upon. Any such amendment shall become effective after a simple majority vote of all the members of the Association. If such an amendment exceeds the rights of the Student Government Association, its approval by the President of the College is required. Revision of these By-Laws shall be considered by the Association at least once in every four years.

Date of Adoption:
May 5, 1952
D. POINT SYSTEM FOR RECORDED STUDENT OFFICES

(As Revised, 1957)

The Recording System is a method of classifying the offices of the campus organizations. Each student’s cooperation is necessary for the proper functioning of this system. No student shall accept offices exceeding her particular academic qualifications. This sometimes entails refusal of nominations. The Recording System exists for two reasons: (1) to keep any one girl from being overburdened, and (2) to divide responsibility among a larger group of students.

1. Permanent Offices
   a. The offices are divided into the following five groups according to time, work, and responsibility required:
      
      10 points
      7 points
      5 points
      3 points
      2 points

      No student may hold more than ten points at one time.
   b. To be eligible for office a student must meet and maintain, during her term of office the following academic standard:
      to hold 7-10 points, an average of 1.5 merit points for the two preceding semesters.
      to hold 6 or less points, an average of 1.0 merit points for the two preceding semesters.
   c. No student may hold the same office both her freshman and sophomore years.
   d. No student may hold two student body elected offices at the same time.

2. Non-Recorded Extra-Curricular Activities

Definition
A non-recorded extra-curricular activity is defined as participation in any organized athletic, dramatic, musical or social (or other) function, not included in the recording system which consumes time and energy outside of academic pursuits and preparation.

Eligibility
Eligibility for participation in non-recorded extra-curricular activities is to be determined on the basis of the student's physical and academic welfare. Students are expected to regulate and plan the time spent in extra-curricular activities in such a way that their whole college performance may be of high standard.

3. Student Marshals
Student Marshals are appointed by the President of the College. These appointments are not subject to the point system. While the office of a marshal does not fall under the point system, the office does require a certain amount of time and responsibility. Especially is this true of the Chief Marshal.

A. MATRICULATION

1. Opening Week

All new students are required to be at the college on Monday evening, September 16. They report first to Main Building to meet Miss Moseley and to receive room assignments and preliminary information about the opening week.

Before matriculation each student must secure a receipt from the Business Office showing that the payments required on entrance have been made.

Through group discussions with representatives of the Student Government Association the new students are introduced to the ideals and regulations governing college residence. During the opening week, all new students take language placement tests, have medical and physical examinations, and are given some instructions in the use of the library. Every effort is made to adjust new students to the College before the work of the academic year begins. A more detailed program of opening week is mailed to students about the first week in September.

2. Faculty Advising

Each new student is assigned to a faculty advisor who meets with his advisee not only at the opening of the college when the advisors help with the selection of courses, but also frequently throughout the year in social as well as official capacities. The advising system is thus one of the ways in which Hollins faculty maintain close personal relationships with the students.

3. All old students must be on campus and signed in by Wednesday, September 18, at 10:00 p.m.

4. The final day for completing matriculation is Thursday, September 19.

B. ACADEMIC STANDARDS AND GRADES

1. Classification in the College and the requirements for graduation are determined by a dual standard, one of quantity, which is expressed in semester hours, and the other of quality of work completed, which is expressed in merit points.

At the end of each semester an examination limited to three hours is held in each course pursued by the student. The examination mark combined with the marks on recitation and laboratory work determine the student's grade for the semester in any given course.

2. Faculty Advising

Each new student is assigned to a faculty advisor who meets with his advisee not only at the opening of the college when the advisors help with the selection of courses, but also frequently throughout the year in social as well as official capacities. The advising system is thus one of the ways in which Hollins faculty maintain close personal relationships with the students.

3. All old students must be on campus and signed in by Wednesday, September 18, at 10:00 p.m.

4. The final day for completing matriculation is Thursday, September 19.

B. ACADEMIC STANDARDS AND GRADES

1. Classification in the College and the requirements for graduation are determined by a dual standard, one of quantity, which is expressed in semester hours, and the other of quality of work completed, which is expressed in merit points.

At the end of each semester an examination limited to three hours is held in each course pursued by the student. The examination mark combined with the marks on recitation and laboratory work determine the student's grade for the semester in any given course.
2. Grading System

A indicates conspicuous excellence in scholarship and learning at the undergraduate level.

B indicates competence in the attributes of scholarship; for example, in sustained and effective use of materials of the course, in independent thinking, in accuracy of knowledge, and in originality.

C indicates the minimum or acceptable standard of work for graduation from Hollins. It involves attainment in familiarity with the content of the course, methods of study and participation in the work of the class.

The grades B+ and C+ may be used to indicate superior work in either of the two immediately preceding categories.

D indicates work which is passing but is below standard. It shows achievement of sufficient quality and quantity to be counted for graduation if balanced by above average work in other courses.

E indicates conditioned failure. A condition may be removed by examination, or otherwise, on the recommendation of the instructor. The grade E becomes D on the record when the condition is removed.

F indicates failure without privilege of re-examination.

I indicates work which, for good reason, has not been completed at the close of the semester. Unless otherwise excused, all incompletes should be made up within the first month of the semester following that in which they are incurred.

In estimating merit points the following system is used:

- 1 semester hour with grade A counts 3 merit points
- 1 semester hour with grade B+ counts 2.5 merit points
- 1 semester hour with grade B counts 2 merit points
- 1 semester hour with grade C+ counts 1.5 merit points
- 1 semester hour with grade C counts 1 merit point

Grades of D, E, and F carry no merit point credit.

3. General Regulations

In courses which are continuous for the session, credit is allowed only for the full year's work.

All grades and results of semester examinations are announced to students through the Registrar's Office and not by individual instructors.

A student in any full year course whose grade is D, or better, on the work of the first semester, but below D on that of the second, shall (unless re-examined) have her choice of the following courses of action: she may repeat the entire course, or she may let her grade for the first semester stand and repeat the work of the second semester only.

A student in any full year course, whose grade is E on the first semester, but whose second semester grade is C, or better, may be given credit for the course at the discretion of the instructor.

A Senior who has a semester grade of E on any subject may, upon recommendation of her instructor, be granted a re-examination before the end of the session at a time appointed by the Dean and the Registrar.

A "C" average in all work in the major field is required for graduation.

Instructors may report to the Dean at any time the name of any student doing unsatisfactory work. This student will be notified promptly by the Registrar; the responsibility for improving her work rests with the student.

The College reserves the right to exclude at any time students whose conduct or academic standing is unsatisfactory.

C. RESPONSIBILITY FOR ACADEMIC WORK AND CLASS ATTENDANCE

The educational plan of Hollins College depends upon the cooperation of students and faculty. Students are held responsible for the full work of the courses in which they are registered, including participation in the discussion and work of the class day by day. Therefore, the importance of regular class attendance for all students is emphasized. Students are responsible for any work missed because of absence for any reason.
D. REGULATIONS GOVERNING CLASS ATTENDANCE

The regulations for class attendance are made by the faculty and administered by the Dean.

1. Committee on Absences

A Committee on Absences composed of the Dean, the Registrar, and three members of the faculty assists in the administration of the regulations. A permanent record of the rulings of this Committee is kept and referred to whenever necessary.

Through the Executive Council students participate in the interpretation of the policies of the Committee on Absences. These students are not active members of the Committee but serve in the capacity of advisory representatives of the student body.

Each student whose case is dealt with by the Committee on Absences must present a statement in writing explaining in detail the reasons for her absence. She may also, if she wishes, appear before the Committee on Absences to present her case before a decision has been reached.

2. Regulations Affecting Students of All Classes

a. For the following reasons a student may take as many absences as are deemed necessary:

(1) Illness of student. Written confirmation must be presented by the college infirmary or the attending physician. (Appointments with dentists, oculists, and physicians for general physical examinations will not be accepted as adequate excuses.)

(2) Serious illness or death of a member of the student’s family.

(3) College business, subject to the regulation concerning scholastic requirements for leaving campus.

(4) Organized field trips. These absences may not exceed one absence from each course in a semester.

b. If a student absents herself, without adequate excuse, from an announced written, she receives the grade of F without the privilege of making it up.

c. If a student absents herself without adequate excuse from laboratory work, she incurs a grade of F on the work missed.

d. Students may, with the permission of the instructor and the Dean, change temporarily from one section to another in order to make up work missed during excused absences. Otherwise students may not attend any section of their class other than their own; they may not do so in order to remove records of absence or to leave college early before a vacation or a recess or to return late therefrom.

e. Classes begin promptly at ten minutes past the hour. Students entering after that time are counted absent. Students are expected to wait for an instructor until twenty minutes past the hour. If an instructor has not arrived by that time and has made no arrangements for the work of the class, students are at liberty to leave.

f. Attendance is required of all students on certain occasions in the collective interest of the college group.

These occasions and the penalties incurred if the student absents herself at such times without adequate excuse as defined in section 2a, are listed as follows:

One day before and after Thanksgiving Vacation, Christmas Vacation, and Spring Vacation, also the first day of the second semester.

Twenty-four hours travel time is allowed to students living west of the Mississippi River. This applies only to Christmas and Spring vacations, either to the beginning or to the end of each vacation period, and only to those students going to join their families.

A student who is absent at these times must send within two days after her return to college a letter to the Dean explaining the reason for her absence. If the excuse is considered inadequate by the Committee on Absences the Committee shall impose one or more of the following penalties:

(1) A fine of not less than $5.00 for each class missed.

(2) A deferred examination in the course, or courses, missed.

(3) A loss, for a specified time, of the student’s privilege to regulate her own class attendance.

(4) Temporary or permanent exclusion from college.
g. All students are expected to be present on campus and to participate in the celebration of Founder's Day.

E. CHANGES IN COURSES OF STUDY

1. Close of Registration in Classes

Registration in all college classes is closed at the end of the second week of regular study in any semester. If for sufficient reason a student desires to enter a class later than this date, the request is sometimes granted, but with the understanding that the work missed must be made up.

2. Procedure for Adding and Dropping Courses

No course may be added or dropped at any time without the approval of the Dean or of the major professor and written permission of the Registrar's Office.

A student dropping a course after the first month of each semester automatically receives a grade of F. Only in extreme cases, where the health of the student is involved, is the grade of F waived.

F. EXAMINATIONS AND ANNOUNCED WRITTENS

1. Final Examinations

Examinations (limited to three hours in each course) are held at the end of each semester.

2. Re-Examinations

A student who attains in any course a semester grade of E may be permitted a re-examination immediately following the spring vacation or during the registration week of the following September, according to the recommendation of the instructor. The student planning to take such an examination in September must notify the Registrar by September 1.

3. Examination Regulations

a. Students are required to pledge each examination to the effect that they have neither given nor received help on it.

b. There will be no mutilation of blue books; i.e., pages are not to be torn out or inserted.

c. Students are requested not to leave examinations unless absolutely necessary. Coming and going in the examination rooms is disturbing.

d. There will be no talking after the examinations have been passed out.

e. Chewing gum or food of any kind is not to be taken into the examination room.

f. No books or extra papers are to be taken into the examination buildings except with the permission of the professor concerned.

g. The academic buildings, Presser, Pleasants and the Art Annex, are open for study until 11:30 p.m. provided there are at least two students in the building. The library will have its regular hours.

h. The social rooms of East, West, Main, Randolph Hall, Turner Hall and the two houses may be used for smoking from 7:00 p.m. to 11:00 p.m. Monday through Thursday, midnight Friday and Sunday, and 1:00 a.m. Saturday, for recreation only, and not for study.

i. Overnights during examination week: Any Dean slip signed by a student before her last examination has been taken will count in her regular allotment of overnights.

j. All work for a course (this includes term papers) shall be completed by the last class meeting of a semester. Outside examinations shall not consume more than a proportionate amount of the examination period. All such papers should be turned in by the end of the examination hour scheduled for that class.

4. Announced Writhen

If a student is absent from an announced written lesson, without an adequate excuse, she receives a grade of F on that written lesson. An excused absence entitles a student to make up a written lesson. The student must present a permit from the Dean to the instructor if she wishes to make up the written.

The date of an announced written must be given to a class at least one week in advance.
G. CLASSIFICATION OF STUDENTS

1. Requirements for Entering Each Class

The minimum requirements for entering the different classes at the beginning of the first semester are as follows:

For Sophomores: Twenty-four semester hours and twenty-four merit points.

For Juniors: Fifty-six semester hours and fifty-six merit points.

For Seniors: At least ninety semester hours must have been completed with at least a C average on the entire college record.

A student who fails to attain her classification at the beginning of a session may enter the next higher class at the beginning of the second semester provided she has completed in the first semester enough hours and merit points to cancel her deficiency and has also completed one-half the hours and merit points required of her in that session to attain promotion to the next higher class by the end of the session. A student who fails to make her class standing will receive a warning from the Dean.

2. Probation

When merit point averages are computed at the end of the session, students who make the following points or below will be placed on probation.

Freshmen—0.6; Sophomores—0.7; Juniors—0.85.

A post-freshman who at mid-season fails three or more of her courses or whose cumulative average is lower than that of the stated probationary ratio may be put on probation at that time.

Probation will be removed when class standing is attained. The student on probation may not absent herself from academic appointments except by special permission from the Dean.

A student who, at the end of her freshman year is on probation and shows no evidence of ability to do college work at a satisfactory level, or a post-freshman who has been on probation two semesters, will be asked to withdraw from college unless unusual circumstances warrant special consideration.

3. Class Privileges

No student shall be eligible for membership in any class organization or entitled to privileges appertaining to such class until officially informed of her classification by the Registrar.

Exception: Students who fail to maintain a C average are allowed to use the social privileges of their class except that their nights off campus will be limited.

H. HONOR STUDENTS

Students who have a merit point average of at least 2.3 on the work of the previous session are known as Honor Students.

In addition to the academic requirement, an Honor Student must be a good member of the college community.

An Honor Student, upon the advice of an instructor, may secure permission from the Dean before leaving college at Christmas and spring vacations and at midyear and final examination periods to absent herself from classes for academic activities which may not be carried out on the campus or in Roanoke.

I. “HOLLINS ABROAD”

“Hollins Abroad” is an integral phase of Hollins College education. It is available to students of the Sophomore Class and extends from the mid-point of this year to the mid-point of the Junior year and includes the summer vacation. It is, therefore, an adventure in both study and travel, as well as an adventure in living in a foreign land.

Residence in a French family not only will attune the student’s ear to French spoken a la Parisienne but especially will directly confront her with a way of life and points of view far different from her own and those of her American classmates.

Study at the Sorbonne where the nature of the curriculum differs radically from that of all American colleges and universities, will inculcate an entirely new attitude toward education and intellectual discipline; and, further, the need to acquire at least a modicum of French as a working tool will demand the cultivation of an aptitude which Americans all too frequently let lie dormant.
Travel on an itinerary whose basis is an extensive survey of cultural, political and social history—both ancient and contemporary—will provide an incalculable personal richness for the final semesters of advanced study at Hollins and for any subsequent studies or experiences in later life.

Any Sophomore at Hollins College who has a good prior record of study and who enjoys normal, good health may make application for "Hollins Abroad."

Hollins College is recognized for its integrated curriculum and its intimate guidance-factors which no large college or university can guarantee. In "Hollins Abroad" these are assured by the presence at all times of at least two members of the Hollins College Faculty. There is also a panel of student officers working with the student group and the faculty.

During the Fall semester a pro-seminar of two hours a week is given for those girls who plan to go on "Hollins Abroad." The aim of these meetings is to prepare the student as fully as possible so that she will be able to get the most out of her experience. The pro-seminar will be conducted by various members of the Faculty and directed by the Visiting Faculty Member who accompanies the group to Europe.

J. PHYSICAL EDUCATION REGULATIONS

1. General Regulations
   Any regulations not covered in this handbook will be explained by members of the department.

2. Special Regulations *
   a. Unexcused Absences
      Unexcused absences from more than four classes of a course in a division or six classes in a semester course cause a student to receive a grade of F on the work missed. In the division this means an F for the course and Incomplete for the semester. In the semester work this means a grade of F for the course.

   * Instructors in Physical Education may or may not follow these absence regulations. Announcements of each policy adopted by the instructor will be made to the students at the first class of the semester or division.

   In the winter division, no more than two absences may be taken to the end of the first semester, and no more than two from the beginning of the second semester to the beginning of the spring division. Disregard of this rule will result in a grade of F.

   Note 1. These absences do not count on the student's academic cuts.

   Note 2. These absences may not be made up, but the student is held accountable for the work missed.

b. Excused Absences
   (1) Students unable to participate in class must file an infirmary excuse in the gym before class begins and observe class. (The infirmary may make exceptions to this rule.)
   (2) Students restricted to the infirmary must file excuse within one week following discharge from the infirmary or the absence will stand as unexcused.
   (3) Students excused by the Registrar or the Dean must file excuse in the gymnasium.

c. Make-up Work
   Each student is held accountable for work missed. Students with excused absences must work out plan of make-up with the instructor. In case of graded practical work or sports knowledge tests, the privilege of make-up is extended only to students with excused absences. Unexcused absences may not be made up. A grade of F is given on the graded work missed.

d. Physical Education Class Plan
   The year's program of Physical Education is divided into two semesters or three divisions depending on the activities elected.

e. Dropping Courses
   Semester and division courses in Physical Education may be dropped within four weeks of the beginning date of the class.

f. Competency Tests
   Competency tests are given in Physical Education the first Tuesday and Wednesday of each semester. Applications may be made at Registration.

Christian Council
As the religious organization on the campus, the Christian Council of Hollins has as its aim to help each girl realize a full and creative life, through a growing knowledge of God, and through unselfish service to others.

Faith expresses itself in worship, thought, and action. Therefore, respectively, the Worship chairman is concerned with the cultivation of worship life among the students; the Study chairman guides the intellectual expression of faith, such as a study discussion; and the Projects Chairman plans and sponsors programs of service on the campus and in the community.

7. The Cotillion
In the Fall of 1955 Cotillion held its first big Dance Weekend. This was so successful that it shows promise of becoming an annual affair. Other smaller dances are given throughout the year. Membership is gained by invitation and is open to second semester Freshmen and all Sophomores, Juniors, and Seniors.

President: Stuart Lewis

8. Freya
Freya exists both as an ideal and as an honorary organization. It chooses for membership those girls who seem most nearly to embody the ideals for which Freya stands. Membership in Freya is not an end in itself, but a challenge and a conferring of higher responsibilities on students who seem to be fulfilling, as far as any of us can, the really unattainable ideals of Hollins. Freya was founded in 1903 by a group of Hollins girls who felt the need of some organization which should embody the high ideals by which they sought to live. It still retains as a heritage from the past the legend of the Norse goddess, Freya, who was lovely with the beauty which comes from a beautiful heart—hers was the spirit of truth, honor and, above all, love.

Chairman: Betty White Heindl

9. The Hollins Dramatic Association
The Hollins Dramatic Association presents three or four plays each year. Its purpose is to stimulate interest in the art of acting and in backstage work, and to sponsor the dramatic convocations which come to the Little Theater. Membership in the Association is based upon the number of hours earned in acting or in backstage work. All students are eligible to take part in the plays, though the heads of the backstage committees are usually elected from the Association members.

President: Pat Dinwiddie

10. Hollins Music Association
The aim of the Music Association is to strengthen and further all musical undertakings of the college. It supports all artist, faculty, and student performances on the campus, and the two annual concert series in Roanoke. In addition, the Association sponsors projects which supplement the more formal program of the Music Department. Membership includes music majors, electives of applied music, and members of the Chapel Choir and Choral Club.

President: Mary Clarke

a. Hollins Chapel Choir
The membership of this organization is limited to about forty. New members are accepted by examination only. The choir sings at all Sunday night chapel services, including special music during the Christmas season and occasional programs off campus.

President: Cissy Crosland

b. Orchesis
The purpose of Orchesis, the College dance organization, is to stimulate interest in the art of the dance, to increase proficiency and to sponsor art programs. Membership is based upon demonstration of skill and interest. The projects of the Club include an annual Christmas program, participation in the May Day celebration, dramatic plays at Hollins, Art Forum at Woman's College of the University of North Carolina, Greensboro, North Carolina, and public performances for various organizations.

President: Julia Hurd

a. Ye Merrie Masquers
Ye Merrie Masquers is the honorary dramatic organization on campus. Each year a few new members from the Dramatic Association who have revealed their dedication to the life of footlights and grease paint are invited to join and are presented with the highly coveted Masquer's Key.

Chairman: To Be Elected
b. Hollins Choral Club

Any student with a fair voice, who will meet the strict requirements of rehearsal, is eligible. Membership is limited to about fifty and is selected by competition. The best literature in the field of secular music, both accompanied and a cappella, is performed to give the student a practical and intellectual understanding of choral music through the medium of participation. A formal concert in the spring climaxes the year's activities which include occasional chapel services and performances off-campus.

President: Lynda Herndon

11. "Undertones"

The "Undertones" is a small singing group of about a dozen voices which sings for various functions both on and off-campus. Their music is for the most part popular. Entrance is by tryouts, and is based upon sight reading, quality of voice, and ability to blend and harmonize.

President: Judy Moore

12. International Relations Club

Founded in the belief that through study of international affairs individuals may more effectively comprehend the problems of enduring peace, the International Relations Club seeks to stimulate interest in world relationships. The club also interests itself in national developments affecting the international scene. Its membership is open to the entire student body.

President: Sally Graf

13. Philosophy Club

The purpose of the Philosophy Club is to afford an opportunity for all students to hear and discuss the ideas of several philosophers from many parts of the country. There are also student meetings besides those with the visiting lecturers, in which various aspects of all academic fields are discussed and compared in an informal atmosphere.

President: Corky Lonegren

14. Pi Epsilon Mu

The college honor society, organized by the members of the faculty who are members of Phi Beta Kappa and Sigma Xi, recognizes and encourages sound scholarship in the liberal arts by electing student members from the junior and senior classes. To be eligible for membership a student must have a cumulative scholastic average somewhat higher than that required for graduation with honor.

15. Publications

a. The Spinster

"The Spinster" is the annual publication of the student body.

Editor: Olivia Smith

b. Hollins Columns

"Hollins Columns" is the college newspaper, published weekly by a staff composed entirely of students. Participation is based on interest as well as on ability. The purpose of the paper is the publication of news of interest to the student body and the expression of constructive criticism and campus opinion. Cooperation with Student Government and other campus organizations is particularly emphasized.

Editor-in-Chief: Sally Durham

c. Cargoes

"Cargoes," the student magazine published twice yearly, attempts to bring the best creative work of the Hollins students to the attention of the campus. At present the aim of the Cargoes staff is to publish a magazine which will appeal in some way to everyone's taste. Therefore the staff is interested in reading any kind of creative writing which is submitted—be it witty, tragic or philosophical. Staff members are selected on the basis of their literary talent, previous contributions to "Cargoes" and their ability to work hard.

Editor: Jane W. Carpenter

d. Grapheon

Grapheon's purpose is to recognize substantial contribution to the literary life of the campus, to foster keen interest in creative writing, and to provide a nucleus for the appreciation of literary excellence.

THE GREEN AND THE GOLD

(Words by Phoebe Hunter, 1909. Music by Almah Meeoniby, 1911)

I.
O fair maiden Spring, what hue will you bring  
To our cause from your own sunny sheen?  
You have brought for your part the hue nearest your heart  
And spread Hollins' hillsides with green.
And you, frosty Fall, the most brilliant of all,  
What color for us do you hold?  
You have laid your fair hand with its touch on our land,  
And set our trees flaming with gold.

II.
The Green and the Gold, we have loved it of old,  
And to it we will ever be true.  
For the memory will last of the days that are past,  
And linger, dear Hollins, with you.
For life, when we're young, is a song that is sung,  
And must pass as a tale that is told,  
But honor and praise, to the end of our days,  
We will render the Green and the Gold.

III.
And still at the thought of the good she has wrought,  
Each heart must with gratitude thrill—  
So to Hollins we'll sing till the mountainsides ring,  
Our jewel of woodland and hill.
There are true, loyal friends that our college life lends,  
And treasures of life manifold,  
And may kind fortune bless with eternal success  
Our Hollins, the Green and the Gold.
