THE ANNUAL PUBLICATION OF THE
STUDENTS OF HOLLINS COLLEGE VIRGINIA

The 1957
spinster

E. MARION SMITH, A.B., A.M., PH.D.

Dedication

Because of your keen personal interest in each Hollins student, because of your "ready-and-willingness" to lend your time and talent on any occasion, because of your outstanding contributions to the life of the college community, we, the Senior Class, respectfully dedicate the 1957 SPINSTER to you, Miss Smith.

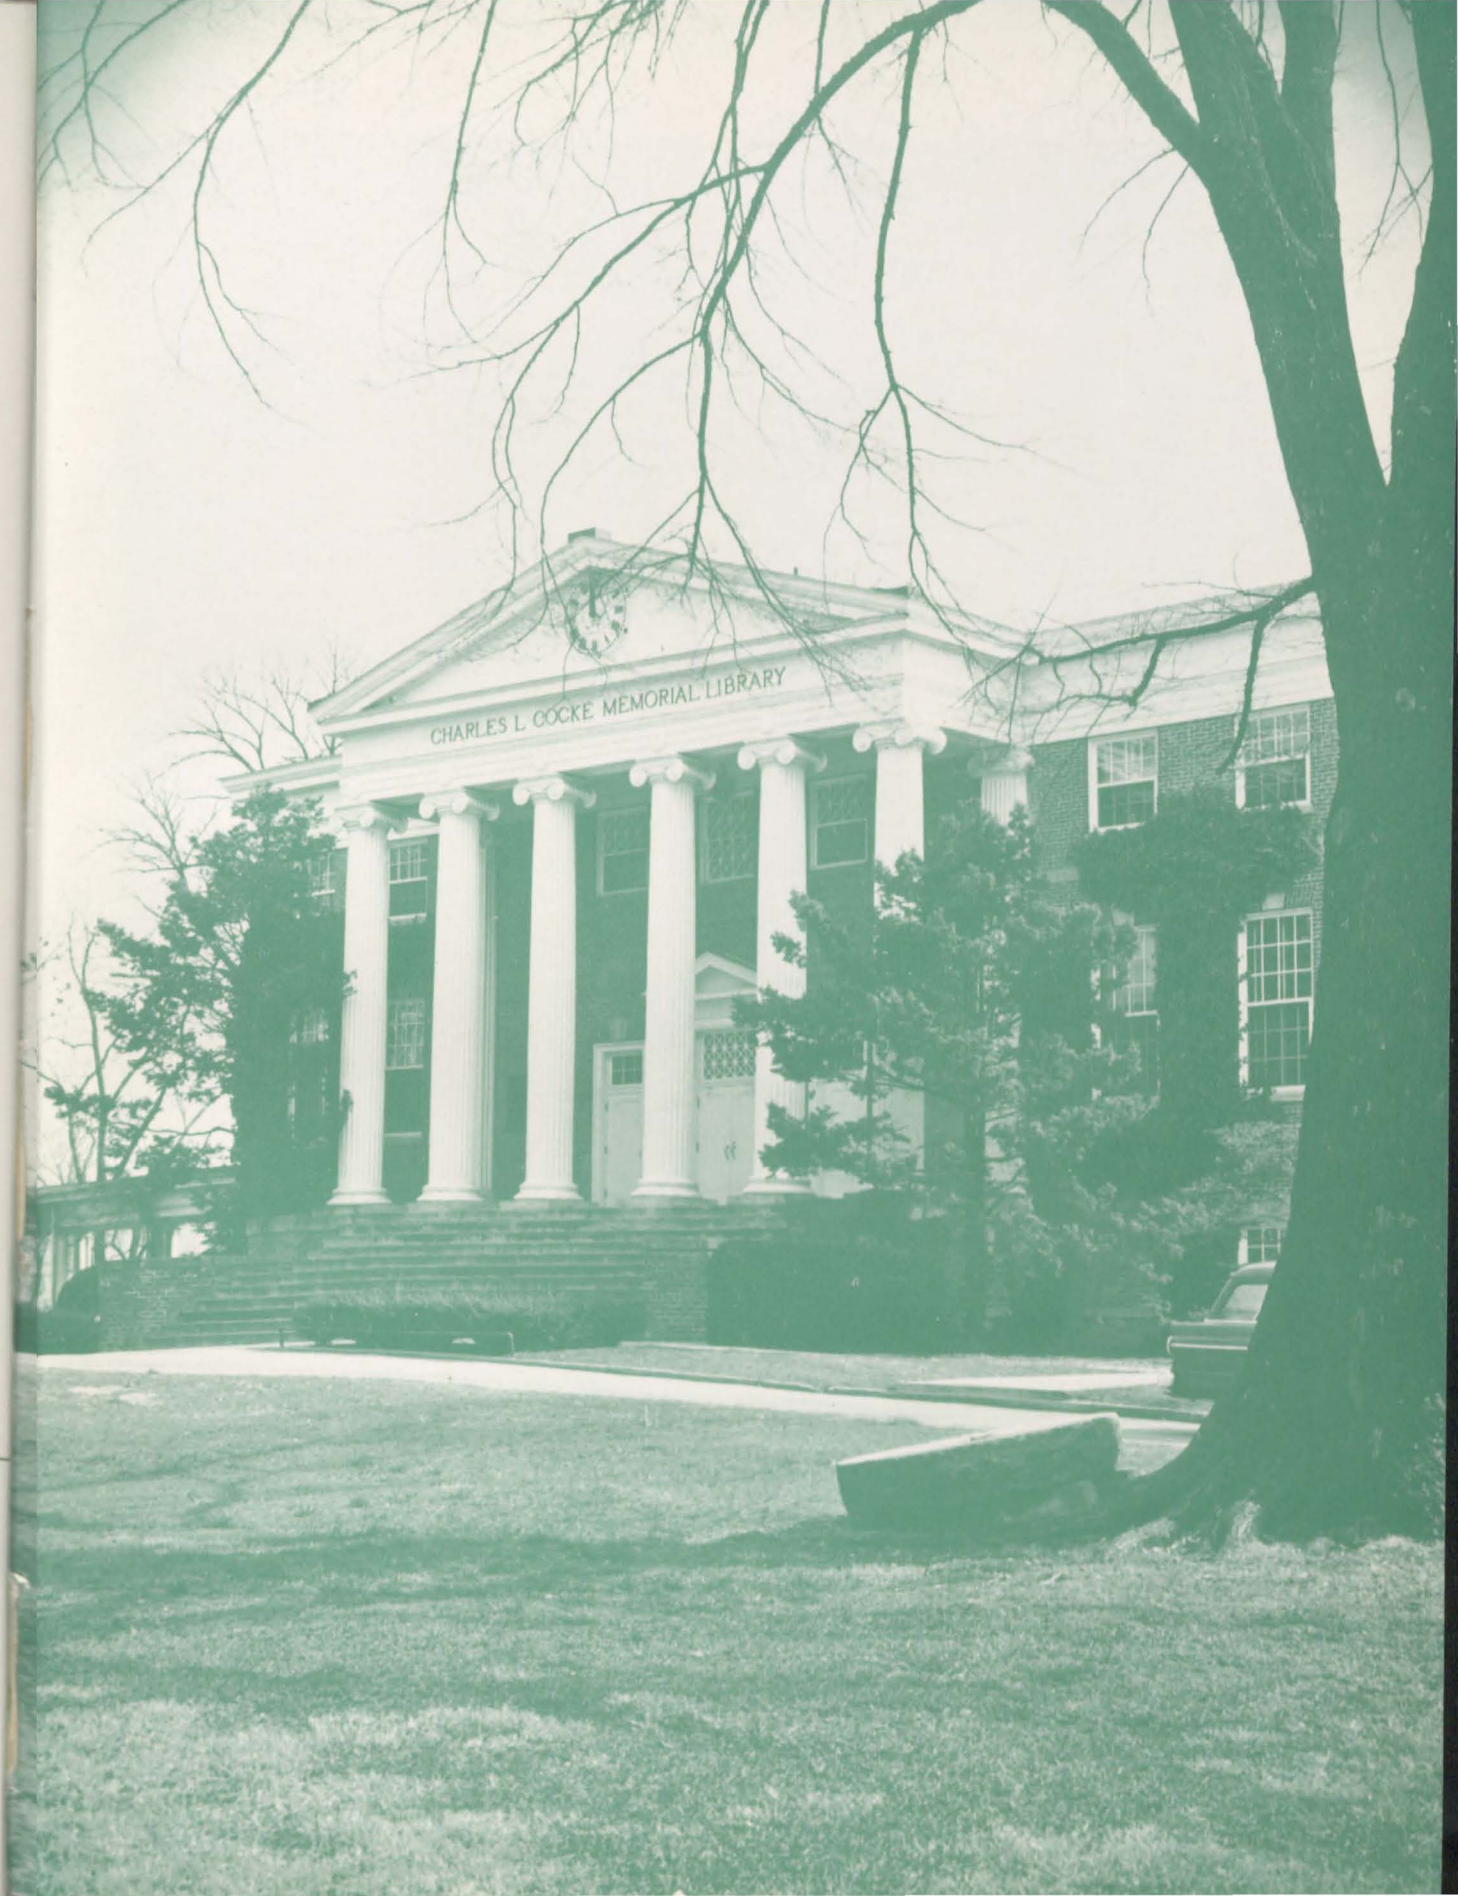

Foreword

With an eye to the future, we view the construction of the new Chapel as another cornerstone in the growth of Hollins. Even though the College may change in appearance and in size, her spirit will always remain the same. This spirit instills in us the highest ideals upon which the College was founded. And these ideals will be a part of us, even after our four short years here.

“Our moments haste with silver feet
To join the world’s wide wand’ring ways
Where mirth and sorrow strangely meet
Beyond the calm of college days.
Though brief our path before us lies,
We know that Hollins makes us wise.

“We shall confront with equal truth
Our mortal weakness and our strength,
And offer hostage of our youth
To bring a clearer dawn at length,
For Hollins, like a beacon far,
Will lead where paths of honor are.”

Organizations

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association of Hollins College is composed of all students, and is founded upon the principles of honor and self-reliance. It proposes to represent and to further the best interest of the student body, to secure cooperation among the different organizations, and to promote responsibility, self-control, and loyalty among the students.

Because the Association is not static, but dynamic in its attempt to achieve a more ideal government, responsibility rests on each student to make a conscious and continuous effort to uphold it and improve it. Individual responsibility for oneself and for the entire group necessitates a clear and comprehensive understanding of the ideals of a student group thus organized. It implies a recognition of the spirit as well as the letter of our laws, and a thoughtful and sympathetic consideration of all phases of student life. From this will follow an active cooperation and a sincere interest in upholding the history, ideals and spirit of our college.

HOLLINS COLLEGE CHRISTIAN COUNCIL

CAROLINE SKIPPER

The Christian Council expresses the conviction of Hollins students that the spiritual life of the campus is of fundamental concern to everyone. It is elected by the entire student body and seeks to be sensitive to the spiritual needs and interests of the campus as a unit.

Co-ordination of its total program is the responsibility of a Chairman, Vice Chairman, and Secretary-Treasurer. Because religion expresses itself through worship, study, and community service, a student is elected to give leadership in each of these areas. These six, other leaders whom they appoint, a representative from each class, and the college chaplains make up the Council. Their basic aim is to help each girl realize a full and creative life through a growing knowledge of God and through unselfish service to others.

Each year Executive Council chooses a group of girls to carry out an orientation program for new students. These girls maintain the standards of Hollins life, not only for the new members of the student body, but for the old students as well. Prior to the opening of school each group leader corresponds with and welcomes the new students to Hollins. In a series of meetings, she interprets for them the regulations, traditions, and, above all, the spirit of Hollins.

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

"Who's Who" is an honorary organization recognized in many colleges and universities in this country. Selection to this group is based on academic achievement, leadership, character, and participation in extra-curricular activities. On this campus students are nominated by the Executive Council in conjunction with the administration and then approved by the "Who's Who" National Committee. Only Juniors and Seniors are considered.

"Who's Who" was first introduced to Hollins in the 1930's and has been continued since then with the exception of a few years during the war.

HOLLINS CHAPEL CHOIR

The Chapel Choir renders the music at the Sunday evening Chapel services and for a special program of Christmas music at the White Gift Service. Each year this group also participates in other activities such as invitational performances in Roanoke and the vicinity, and joint concerts with glee clubs from nearby men's colleges.

The Choir sings the highest quality of sacred and secular music, and strives especially for balance and blend of voices and purity of tone.

YE MERRIE MASQUERS

Ye Merrie Masquers is an honorary organization which seeks to recognize all those girls who cherish grease paint and canvas flats enough to fulfill its requirements for membership.

A. D. A.

A group of campus wits who adhere to the adage: "Hilarity is the spice of life." Each member of A. D. A. is reputed to have a unique capacity for wit, and at the same time to try to sharpen the campus sense of humor. This honorary (?) organization wears purple on Tuesday and has the peculiar privilege of punishing others who do the same. Stunts are performed on various occasions, at which time more wits are initiated. Michael Finnegan, the group's advisor, agrees that campus life would be quite dull without these paragons of jollity.

Hollins

The Hollins Abroad group for 1956-57 became the second to participate in the foreign study program, which was inaugurated in the preceding year. They matriculated at the Sorbonne for the second semester of their Sophomore year, went on an extended tour of fourteen European countries during the summer, and completed their year abroad by again spending the first semester of their Junior year at the Sorbonne. During the school year, each girl lives with a French family in Paris. The purpose of the program is to broaden one's interest, to establish a more adequate basis of judgment, and to develop a better understanding of other nationalities.

Cotillion Week End

The week end of November 16-18 marked one of the highest spots on the year's social calendar. In the Crystal Ballroom of the Hotel Roanoke, the student body and their dates "danced all night" to the music of Billy May and Hal McIntyre. Not even the rainy weather could dampen the success of the week end.

We are the Seniors . . .

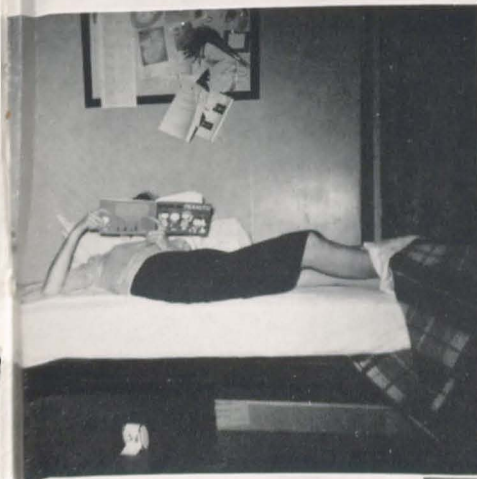

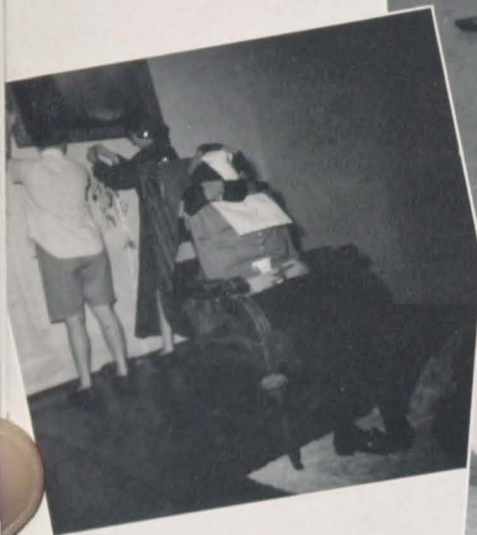

Seniors are we . . .

Singing together . . .

Right merrily . . .

And now that we are together . . .

Happy are we . . .
