Agenda item 1 – Guest speaker

Jenine Culligan, Director and Curator, Hollins University's Eleanor D. Wilson Museum, discussed current and upcoming exhibits. The GLAM (Galleries, Libraries, Archives and Museums) program has been approved and will begin in Fall 2023 as an 18 credit certificate program.

Agenda item 2 – Drawing for door prizes

All student attendees won a door prize. The prizes were books (2 titles), one coffee mug, small notebooks and black bags.

Agenda item 3 – Updates

- purchasing books on the Middle East: Luke will check with the directors of Model UN every year, and make sure the books needed are current.
- the Hollins shuttle stops at the Hollins branch of the public library. Maryke to send flyers to HRL for posting.
- individual blu-ray players can now be checked out (and there was much rejoicing).
- there is a light switch across from the bathroom in the coffee commons. If you're in there and it seems dark, feel free to turn the lights on.

Agenda item 4 – Instruction question (discussion)

When classes and groups visit the library, do you hear the same information?

Responses – The sessions were repetitive (they are usually an intro. to the library and the collections), sessions geared to assignments are helpful, maybe send a quiz to classes before the classes visit the library to see what they already know and what they need to learn.

Agenda item 5 – identify graduating seniors

Jude Pratt, Mairwen Minson, Nabila Meghjani, Elizabeth Lauderdale

Agenda item 6 – Will LSAB meet again this school year? (discussion)

Yes. The last week of April is a good meeting time.

Agenda item 7 – Library survey

The library survey is now available on the library's home page and everyone should complete it. It is offered once every five years and is a big help to us as we evaluate our services.

Agenda item 8 – Upcoming events

- Write-in - do have a write-in. Mondays and Fridays are not good days. Have the write-in during the week before finals, maybe two days in a row.
- Relaxation lounge during exam week – offer tea, coloring pages, bean bags, puzzles, graphic novels, art books, photography books, easy reader books, QR code to something on you tube that people can listen to
