Subject: LSAB: Meeting October 27 with President Hinton & other announcements

Hello LSAB members,

We have news for you: President Hinton will be joining LSAB on Thursday, October 27 for a discussion about strategic planning. This will be our October meeting: please save the date, **10/27 at 4:45 p.m.** (dinner at 4:30 p.m.). You may also wish to read the letter just posted by University Librarian Luke Vilelle: https://libguides.hollins.edu/ld.php?content_id=68936693

Here also are the announcements/updates that were supposed to be discussed at our last meeting but weren't because we ran out of time:

1. Change in library shuttle service – Last year, the Hollins Shuttle offered a stop (by request) at the Hollins area branch of the Roanoke County Public Library. Activities Manager, Zoe Thornhill, stated that this was ended due to low use/higher shuttle price rates. If you want to advocate for the stop to be added back in, contact LSAB member Sophia Kunkel (class of 2025).
2. Change in hours of operation for 2022-2023 school year – The library now opens at 8:30 am instead of 8:00 am. This time is similar to the opening time of other campus offices. It also allows us to accommodate changes in the Federal Work Study program that affected our work study students' new work hours.
3. Reusable or single use plates/cups/utensils for LSAB meals – Do you prefer the reusable eating utensils we currently use or would you like to have single use/disposable (compostable) eating utensils at each meal? Please send your responses to battlesa@hollins.edu.
4. Library exhibit - There will be a library exhibit about banned books this semester. I need people to pull the banned books from our shelves if the covers are attractive enough to display. If you are interested in volunteering, please send your responses to battlesa@hollins.edu.
5. Assistant University Librarian and Humanities Librarian Rebecca Seipp gave birth to a son, Alexander, at the end of July. The family is fine and she will return to work in the library this month (October).

Feel free to contact us with any questions or concerns.

Have a great weekend!
