Welcome to ‘37 from “Student Life”

To the Freshmen and Transfers

Student Life dedicates this, the first part of Student Life, to you. The Freshmen, our younger ones, are the future of the campus. We at Student Life believe in the spirit of cooperation, creativity, goodwill, and fun. We wish for you the utmost success and happiness in your work and play.

Hollins has much to offer you. You have much to offer Hollins. The fruits of these mutual possibilities will be reaped only by common understanding and effort. The college organization, as the parent, belongs to you. It is an engine of creativity, a well of interest and talent. Student Life, as the associate, belongs to you. It is an engine of cooperation, a well of ideas. It is your college, and you must make the most of it.
