Thanks to the Class of '33, Hollins is the proud recipient of eighteen remark- able reproductions of near-famous paint­ings. The framed pictures, together with sixteen more, were brought to school on October 24th. They are not to be exhibited, however, until Sunday, October 29th, or possibly later.

At the request of last year’s Seniors, Dr. Marli carried on the purchases of the pictures. Having visited first innumerable art establishments, he finally decided to obtain the eight largest pictures in the group from the Piper Com­pany, in Mobile, a company especially suited to this type of work. In fact, he reproduced a number of paintings altogether. Thus it is enabled to devote more time and energy to the perfection of the collection. The pictures are being

President Randolph Visits in Chicago

President Randolph left Hollins last Saturday for a trip to Chicago. While in the Windy City, he visited the Museum of Science and Industry on route with some Alumni. Dr. Ran­dolph also made no less than five visits to the Art Institute of Chicago. He arrived at that city yesterday

M. A. Nettleton Leads I. R. C. Discussion

Speaking on Austria in its relationship to Germany, Mary Anna Nettleton led the discussion which recently was cosponsored by the International Relations Club. After her presentation, the floor was open to the Class members present.

Karl Backer's Tour of the United States

A few days ago, Karl Backer left for a tour of the United States

Hollins Student Life

Plan to Attend Junior Dance

Petition to Play Radios in Quiet Hour Approved

Arthur Henderson, Jr., Speaks on Vital World Question

Conditions Must Be Maintained

EMERGENCY ACTION

An emergency petition for the use of radios in an Alumnus of Hollins, provisionally returned to the student body last week by President Randolph, who interred the privilege and emphasized the responsi­bilities it carries. This action gives the students a liberty that has been eagerly sought for the past year and which has been the subject of much controversy. In granting the petition, President Randolph pointed out that the primary purpose of the existing system was to maintain the most favorable study conditions in the dormitories and that the new privilege must not interfere with these conditions. He stated that the new ruling radios are to be played in a manner that will not intrude the studies of other people in the building.

The provisional granting of this petition is made it a great responsibility for the individual who plays their radio during quiet hour. It was carefully pointed out by the Student President that the students’ efforts to control the volume of their machines would seriously affect the continuity of the radio program. In February the petition will be entertained by the Student Senate. If another action is taken to either make it a permanent ruling or to again place certain regulations on the radios, it is hoped by those who have worked to have the students for the protection of the college and by the College authorities that the use of radios will prove an addition to the College life rather than a distraction. For the success of the plan each girl must take it upon herself to see that she keeps the quiet of the building intact while enjoying the use of her radio.

A group of 官方是致力于的一个 decay in the dormitories to the further installing of radios has been proposed in the request. The student of the business office must be notified at all times before a machine is installed.

Library Makes New Book-Borrowing Rule

The Hollins Student Library has now a new rule governing the borrowing of books. These changes are in line with the library rules at the other colleges.

Library Makes New Book-Borrowing Rule

The Hollins Student Library has now a new rule governing the borrowing of books. These changes are in line with the library rules at the other colleges.
BASIL S. AMIN, AUGUSTA, ROSELA BATEN,
appreciates, LOIS Y. BOOZER and the Seniors and was duly appointed.
Joining her on the mountain, enthusiasm ran high and a general sense
of elation spread through the whole company. The event was the
result of an effort to bring together the different clubs and to
promote cooperation among them. The theme was the importance of
internationalism, and the gathering was held to discuss certain relief
measures that had been proposed.

The meeting was held at the Student Union, where Miss Keller
was presiding. The gathering was attended by representatives of all the
clubs and societies on campus, including the International Relations
Club, the Art Club, and the Music Club. The purpose of the meeting
was to discuss the current international situation and to decide on
action to be taken in support of the principles of internationalism.

Miss Keller opened the meeting by addressing the assembled group
and reminding them of the importance of international cooperation.
She then introduced the chairman of the meeting, who presented a
detailed outline of the measures that had been proposed. The
measures were then discussed in detail, with representatives of each
club expressing their views and suggesting changes.

After several hours of discussion, the group came to a unanimous
consensus on the measures to be taken. These measures included:

1. The establishment of a committee to study international
relations and to prepare a report on the current situation.
2. A campaign to educate students and faculty about the
importance of international cooperation.
3. The formation of a special fund to support international
organizations and programs.
4. The drafting of a resolution to be presented to the
administration and the Board of Trustees.

The group then adjourned, but promised to meet again soon to
continue the discussion and to monitor the progress of the measures
that had been agreed upon.

The event was a success, and the participants felt a great sense
of accomplishment. They were eager to see the measures taken and to
see the results of their efforts. The gathering was a testament to the
power of cooperation and the importance of internationalism. It
showed that when people come together with a common goal, they can
achieve great things.
The Engagement of Miss Mosher to Dr. McGinnis Announced

The engagement of Miss Sarah Mosher to Dr. John McGinnis was announced Saturday night at a party given by Miss Mary Lane Charles and Miss Grace Cheneaux in Carvin House. The announcement was of great interest to everyone around the football game, and the groom-elect are members of the Hollins faculty. Miss Mosher having been Assistant Professor of English for two years, and Dr. McGinnis has been for five years Professor of Psychology.

Dorothy McGinnis is from New York; she is a graduate of Holyoke College, and has done graduate work at the University of Rochester. Dr. McGinnis is a graduate of Lake Forest College, Illinois, and has done graduate work at Harvard and at Yale.

The party given to announce the engagement was a Hollaween dance. The purpose of the party was to be kept a secret, and not until small pumpkin pies containing announcements of the engagement were served did the guests learn the important news. Several members of the faculty ate their announcements along with their pie! But such news could not entirely escape notice, and once discovered it did not take long for the news to become general. Miss Madredley read a formal announcement of the engagement. By Sunday morning the whole campus was excited about the news.

The date for the wedding has not yet been set, but it will take place some time during the Christmas vacation. Dr. and Mrs. McGinnis will live in Fall Cottage next fall, as President Emerita Coirer's residence.

Festivities Planned for Hollaween Night

Senior Stunts will be presented by the Class of 1934 in the Little Theatre next week-end. The dance will be held in the Hollins gymnasium, and will be sponsored by President Emerita Coirer's residence.

Mr. and Mrs. Shelley will visit Florence next week-end.

Virginia Dinsmore attended the dances at Annapolis last week-end.

Gray Sue Graybill was at her home in Flinchart for a short while last week.

Mr. and Mrs. Johnson, of the Fort Thomas, Kentucky, were on campus Sunday to visit Hertha Rottespie.

Mr. and Mrs. Johnson, of Fort Thomas, Kentucky, were on campus Sunday to visit Hertha Rottespie.

E. G. Brown and Carolyn Sanders spent last week-end visiting friends in Roanoke.

Mildred Frances Ripple visited her at her home recently.

Lelia Berkeley had her little sister as her guest on campus Saturday afternoon.

Jane Moon and Dorothy Donovan spent last week-end at Dorothy's home in Clifton Forge.

Eloise Goodman, '33, and Louise Atkinson, '33, were on campus for a short while last week-end.

Clair Backs' mother, sister and several friends are visiting her on campus.

Upperclassmen in Main Have Tea for Sophomores

Strange lyrical invitations were slipped under the doors of Sophomores' room last week, causing no little excitement and surprise. Upperclassmen, living in Main, were announcing an afternoon tea to be given in honor of the Sophomores on Monday, October 9th. "Adria, Margaret, Clair, and Webby; Elizabeth, Lucy Lee, Jane and Peggy," so the lyric recited, "have devised a plan whereby you may love them more." Although this last thought was considered unnecessary it did not prevent the appearance of all Sophomores on Monday.

Keller, in all its new array, was even more attractive, as the eight hostesses greeted their many guests and Mrs. Poulton presided at the tea table. Eleanor Webb, House President of Main, expressed the pleasure of the members of her class who were living as non-sororitians.

Miss Farnsworth, Sophomore Sponsor and guest of honor, gave a short talk, inviting members of the class to come to her with any problems which might confront them. The Sophomores accept with gratitude this gesture of friendship on the part of these members of its sister class. They have relied upon these Sophomores, as well as upon the entire Senior Class many times, for guidance and help and have not once found it lacking.

Hollins Holds Own at Horse Show

Hollins was represented at the Bedford Horse Show by seven riders, chosen by five of our most outstanding riders; Susie Cocke, Marion Hamilton, Emily Lafloon, Patty Smith and Susanna Turner. The girls left late in the morning, having luncheon at the fair grounds in Bedford, and returned to the College in time for dinner. They made a very snappy looking group, with their black coats, black boots, white stockings, and white breeches, and it didn't take them long to prove that they were as skilled in riding as they were stylish appearance.

Three red ribbons were awarded to the Hollins students. The first went to Susie Cocke who rode Loving Nancy in the Walk-Trot-Canter Class; another went to Marion Hamilton on Lady Hand and Mr. Graves on High Boy; and the third was won by Marion Hamilton, Patty Smith and Beverly Hunter in the Hunt Team Group. This was, indeed, a stuning picture with the two black colts, High Boy and Lady Hand, on the outside, and proud white Jerry in the middle. Hollins was the only school entered in the horse show.

Senior Stunts will be presented by the Class of 1934 in the Little Theatre next week-end. The dance will be held in the Hollins gymnasium, and will be sponsored by President Emerita Coirer's residence.

Mr. and Mrs. Shelley will visit Florence next week-end.

Virginia Dinsmore attended the dances at Annapolis last week-end.

Gray Sue Graybill was at her home in Flinchart for a short while last week.

Professor Schmitt, of Mary Baldwin College, was on campus last Sunday. He was formerly connected with the School of Music here.

Jean Lang's family visited her here several days ago.

Delgatees from the Hollins publications will meet to-morrow to attend the Virginia Intercollegiate Press Association Convention in Richmond.
