I have followed your court case against Price Waterhouse over the past few years in USA Today, TIME magazine and the local press. Although you've obviously gone on to bigger and better things, the outcome of this case could have major ramifications for other women who will come behind you at Price Waterhouse. That's why I'm so grateful that you have had the courage to pursue it even though it must have made your life very difficult. Thanks for what you've done for all of us and Congratulations on your victory.

Sincerely yours,

Dawn Austin
