President Randolph Expains Administration Changes

Conducts Last Convocation May 30th

NEW CALENDAR

Dr. Randolph presented in Convocation the changes made by the Administration which will go into effect in 1934-35. She spoke of changes made in the legislative committee. Because of the feeling among students and members of the faculty that the students should have a wider opportunity to express themselves, the membership of five ex-officio members—the presidents of the four classes and the editor of Student Life—has been enlarged by the addition of five ex-officio members—the presidents of the four classes and the editor of Student Life.

They plan also to encourage the expression of campus opinion by open forums, greater use of the student newspaper and additional faculty and student body meetings for discussion.

The student body was then told that the use of radios at all times is still on trial. Dr. Randolph added that radios should not be used after the lights go off.

She requested that students be given greater responsibility in their work, but this will be greater only when all are ready for it.

The wearing of socks on campus will be given further consideration and action taken in September.

Dr. Randolph spoke of smoking only to caution the student body not to be too lenient, to be given greater responsibility in their work, but this will be greater only when all are ready for it.

The wearing of socks on campus will be given further consideration and action taken in September.

The amendment that there are to be open breakfast hours for next year was especially well received by the student body. The dining room doors will be open from 7:30 to 9:30 a.m., and all requests are to be out of the dining room by 8:30.

It was then announced that the school session for 1934-35 will be lengthened in order that faculty and students may have more time to finish up their work. The session will end on June 12th, and longer vacation periods will be given at Christmas and Easter.

President Randolph next declared that the administration is always open to the suggestions of students who need help by scholarships. Accordingly the administration plans to join with the colleges of the state in a plan to President Roosevelt and Congress for the continuation and increase of financial aid to schools and students. The administration will also recommend to the Board of Trustees the setting up of technical loan fund for students.

In closing, Dr. Randolph paid a tribute to the student body of this year, expressing her appreciation of their sympathy and cooperation in the work the college is doing.

It is the problem of dictators, President Randolph stated, which makes it increasingly important for high school Americans to exert every effort to increase their knowledge. "As You Like It" Pleases Audience

"As You Like It." Shakespeare's delightful comedy-romance, was enacted on the campus, the Forester stage, to an audience of guests, students and alumni, Saturday night, May 26.

The play was directed by Betty Lané, quite thrilled the hearts of the ladies in the audience. The play was well cast, each part seeming to suit its player. The usurping Duke Frederick was played by Virginia Black, Susanna Turner, as the hounded duke looked and acted with virility, and Celia was played with slyness by Mary Ann Netleton. The handsome Orlando, as acted by Betty Lane, quite thrilled the hearts of the ladies in the audience. Lill Burns portrayed very realistically the part of Rosalind, brother to Orlando. Mary Helen Hirsfield, as Touchstone, and Sarah Worsham, as Audrey, produced a charming effect on the audience from the appreciative audience. Harriet Ann Jackson, with her sarcastic humor, added new zest to the play by her charming impersonation of the "melancholy Jaques."

The play was directed by Marion Hamilton as Amiens; Eleanor Trappeall as Jaques Le Bois; Mary Ellen Turvill as Adam Grey; Polly Pruter as Corin and Silvius; Bill Robinson as Charles; the wrestler; Dorothy Hunt as Anne; Janet Lewis as William; Charlotte Ann Emy as Phoebe; Margaret Richardson and Albert Coke as pages; and Lillian Pitts and Mary Morris Watt as lords.

From time to time in the play, music was rendered by Miss Whitehurst, Jean Bird, Charlotte Urrmer and members of the cast.

**STUDENT FORUM**

A PARTING WORD

To express the sentiments of an undergraduate, at this time when everyone is saying everything that has been said in the annual commemoration, and I think, for some reason, the obligations of a college graduate to his alma mater. And yet the classes that are left behind, with as many emotions and feelings as there are in the class, are those that are left behind. And yet, as one of these undergraduates expresses it, our feeling is somewhat akin to self pity. You see, Seniors, we have learned that feeling is so somewhat akin to self pity. You see, Seniors, we have learned that feeling is both a hard and yet a very hard experience. Among those on campus for commencement, and tradition, one might say, that the obligations of a Hollins College graduate to his alma mater are very great.

BETTY: "Did it hurt when they pulled your tooth?"
DOTTIE: "No, but they did give me that horrible gas."
BETTY, sympathetically, "Oh, Dottie, I'm so sorry they had to use an anti-septic!"

One of next year's freshmen, after being gravely informed "all about Hollins" by our new Student Government president timidly asked—

"And are you a freshman this year?"
The choir quietly took their places. Suddenly a shrill whisper from a certain corner.

"Oh, Ro, you're sitting on your "All Glory Land and Honor"!"

PROFESSOR: "Give me a double negative in Shakespeare."
BRIGHT CHILD: "Tain't not your mind it's cracked up to..."

Exams theme—with Reifsnider's special permission:

"I'm sure of everything but you Baby!"

"Hum," mused Ann Bates as she attempted to serve the iced tea, "this ice isn't all it's cracked up to be."
