**Athletic Board Adopts New Monogram System**

As a result of the vote taken on campus earlier in the year, it was found that the Monogram Club was needed back on campus. In view of this fact, the Athletic Board sent out questionnaires to 26 colleges. These questionnaires showed that Hollins is the only one of its type that does not have a system of awards. Furthermore, at the Athletic Conference in Greentown, North Carolina, several of the representatives highly recommended that Hollins should again have a monogram system. Therefore, the Athletic Board has decided to readopt such a system on this basis. The Board will conduct the contest from the floor. The whole point is still alone, but on participation, pride and interest is shown. The following requirements have been adopted by the Athletic Board:

- **CHEVRONS:**
  - 3 participations = 1 class team or equivalent

- **MONOGRAM:**
  - 6 participations = 1 - 2 class teams or equivalent
  - 9 participations = 3 class teams or equivalent

- **PIN:**
  - 10 participations = 3 varisILES or equivalent service

**Alumnae Hold Reunions During Commencement**

Many alumnae have come a distance to attend reunions. Among those who have been here are Misses Decca Lamar West, '85, of Waco, Texas; Mrs. Sallie Duncan Webber, '94, of Galveston, Texas; Mrs. A. J. Weyl, '16, of San Antonio, Texas; Bertie Durham, '33, of Stoneham, Massachusetts; Bethal Rollins, '33, of Newport, New Hampshire, and Margaret Wend, '33, of Jacksonville, Florida.

**Miss Maddrey Entertains for the Group Leaders**

Supper party is given in Y. W. Room

Miss Maddrey was hostess at a supper in the Y. W. C. A. room for the group leaders for the coming year. These students were gathered to discuss plans of orientation and Student Government instruction of the Freshmen next year.

The discussion was held by Florence Shelley, President of the Student Government for 1935-36. Special emphasis was laid upon the importance of impressing upon the Freshmen not only the letter but the spirit of every law. Stress was also laid upon the necessity of a complete understanding of the pledge before the students would be asked to sign it. In order to facilitate this understanding, it was decided that the group leaders should tell the Freshmen something about the pledge when they return to their homes in the summer. It was also decided that since the group leaders are so much the leaders of the Freshmen the ability it would not be necessary for the President of the Student Body to write to the Freshmen during the summer in order to make them understand their responsibilities.

The group then discussed plans for a more active House Committee and also plans for making the Freshmen understand and participate more.

The question of what to do with the mood on back campus since smoking was allowed there was also discussed.

Miss Hearsey then spoke to the group. She congratulated them on having the honor of being in such a group and then advised them as to their responsibilities for next year and the importance of being an active House Committee. The girls were interested in the discussion and had many questions for Miss Hearsey. The discussion was then adjourned as more were called upon to talk.

**Plans for Next Year Discussed by Y. W.**

On the week-end of May 11, the Y. W. C. A. Cabinet, the Freshman Commission and Miss Cheever’s, as chaperones, were ready to open the party up for the coming year. The Senior class, which was in charge during the Lenten season, predicted a very successful year for the Freshmen. The Senior class sponsored the 25th reunion of the Class of 1885.

There were several people present with gifts for the ladies and for the Junior and Senior class. The Junior class was also given a reception by the Y. W. C. A. and the Senior class by the Sophomore class.

The gift which they gave to the school was a silver coffee cup.

**Vacation Song**

Hollins was admitted to the American Association of Women Colleges in 1885. Miss Madge Caldwell was the first member to have the honor of being in the Y. W. C. A. room.

Miss Maddrey went up on Sunday morning and spent the day at the beach. The day was very pleasant and the sea breeze and sunshine was just what was needed to keep the rest of the year going.

On Monday morning, May 27, the installation of the new Y. W. C. A. officers took place at the chapel service.

**Last Cotillion Given in Honor of Seniors**

The Cotillion Club had its last dance of the term on April 22, 1936. The dance was given in honor of the Seniors. Keller decorated simply in yellow and green they danced to the tunes of Locklear and his orchestra. The dance began at five-thirty and the "stags" stood at the top of the stairs. The arrival of the "belles" who arrived quite late was a sight to behold. The "stags" were all in a white suit. The Seniors and their dates received favors. There were paper cards and at the end of the dance the Seniors danced with the colored cards added quite a hit to the party of the night.
The campus organizations are now making their plans for the next college year. For undergraduates feel, we understand that of to-day must, we require an issue of the Forum, for Class of Nineteen Thirty, for its aim to help the College in every way, and they have succeeded.

The Seniors, as everyone knows, of a unit of a community. Remember these ideas and bring them back ready for use in the fall semester. But some-...
A. D. A. Elects Peace as New President

At a recent jamboree, ye ancient, digested, and witty organization of A. D. A. elected its officers for next year. The "officers" consist of Francis Peace, President and ringsmaster, and the rest of the members are anything they want to be. This prevents disappointment, a system which has its points and is to be recommended. May we have bigger and better stunts and "stags" next year.

occasion. Later there was a figure in which the members of the Cotillion Club and their dates participated. The figure was led by Marlow Works and Beth Miller. Bringing up the rear of the figure were Susan Hamilton and Hamilton both dressed as "stags." The guests would still like to know which was the "boy" and which was his date. Favors were given after the no-break which followed the figure. The girls received bouquets and the "boys" other favors. Carol Paulshe, the retiring President of the Cotillion Club, received a lovely corsage of gardenias. At seven o'clock dinner was served on the back porch.

eat in study. She should be respected and liked by her fellow students. She should have taken part in campus activities and must have given a genuine contribution to Hollins life by her presence here. Perhaps her personality, the most intangible of all things to judge, is the greatest determining factor. That is the reason why the Funkhouse Award can never be, as many other such prizes, something to be definitely worked for. It will always stand as an encouragement along the way for those girls trying to develop their own individuality according to the highest ideals they hold. It stands, then, not only as a reward for achievement but as a recognition of a potentiality in the making. This is why every graduation and such year contribute more and more to the distinction of winning this prize.

The student body cast its vote last week. It is waiting expectantly for the final decision. Past students who have received the award are: Eleanor Wilson, Elisabeth Trenshall, Lorraine Alexander, Rosamond Larmour and Mildred Raynolds.

kept it in the past and have dreamed it to be in the future. The third thing is the College itself. The College is responsible for the students. It also, however, has the responsibility of carrying on its heritage which was handed down by the founder and Miss Matty. It is through the students that their dreams can be fulfilled, for they are Hollins.
