Anne Walker,

Dear Anne -

Please mail the U.N. Water-conference
publication "Water, Women and Development" as
advertised in your IWY-TP newsletter no. 4.

This should help me in preparing
a task I'll deliver locally relating ~~the~~
Water ~~problem~~ to women. (Water is a
popular topic in this area as we are
severely rationed.)

I note your request for information
regarding activities in women's affairs.
As I represent the atheist-humanist position
in the Women's Rel. Task force nationally for NOW,
would a news item on this approach be
too unorthodox for most subscribers? -

Your newsletters are extremely
interesting to me, for I believe that if the
world is saved, it will be through the
efforts of women. This international feminist
movement has unbounded potential to develop
into a spiritual crusade that will re-define
human destiny! - Sincerely Pearl Ross
