Dear Bella,

I am delighted that you have set Koryne up to work on the International Affairs resolutions of the NWC. There is much to be done and a group in Washington and one in New York representing national organizations is at work as a sort of caucus. Their efforts need to be coordinated and sharpened, and I am sure it will be easy to do that. Some of us participate in both groups.

Enclosed is a copy of the invoice for the slide/tape, Declaration of American Women and the carousel which you took to California. I hope it went off well and that you did not have to lug it back. If you could get a check for \$44.00 in the mail to this address, we would appreciate it, as we are closing our books on fiscal year 1977-78.

We follow your activities with interest and hope you will visit us again. I am sure you are delighted that the 1980 Conference is expected to take place in Denmark although there is nothing official, as you know.

With all best wishes,

Sincerely,

Mildred Persinger
