A M E R I C A ' S W O M E N

A National PBS Series

May 16, 1990

Dear Ann:

Once again, congratulations....you are getting so near to the end! Wish I could say the same for my project. I've enclosed a copy of our proposal to PBS which includes treatments for each program. You'll see your story in episode One, The Thin Pink Line. The treatments just give a hint of how the story might go--naturally there would be much more detail in the actual program.

I've also enclosed a copy of the Moot Court competition from the University of Chicago, (at long last). The other tapes you sent were very useful, and I still have them in safe-keeping.

Ann, I would like to talk to you at some point about the possibility of obtaining the film rights to your story for a possible fictionalized version. What do you think? I do have some interesting Hollywood contacts, and would work hard to create an accurate representation of your story. Perhaps we can talk about this when I'm in D.C. during the week of June 26. I'll be in NYC next week. If you are there for some reason, messages can be left at 212- 362-0073. I'll call you soon to talk. Again, hurrah.

Best regards,
