Fund Raising is Theme of Alumnae Meeting

GERTRUDE BRUYN ADVISES

The ninth annual meeting of the Alumnae Advisory Council will be held February 20 and 21, at Hollins. This meeting is to aid in the working of the Council to maintain and advance the cause of higher education, and to act as an official ave nue of communication between the administration and the alumnae concerning the policies of the college.

The purpose of the meeting this year will be on "Fund Raising," with Miss Gertrude Bruyn, Fund Director for the American Alumnae Council and Fund Secretary of the Mt. Holyoke Alumnae Association, guest speaker. Miss Bruyn will speak in the chapel at nine o'clock Monday morning, February 20. The entire campus community is invited. Following Miss Bruyn's address there will be a full discussion of fund raising as related to the Alumnae Centennial Fund now underway.

In the afternoon session, which will be held in Presser Auditorium at 1:30, two topics will be taken up. Ruth Brumate will speak on her study, "Student Morale-a College Problem.", and Dr. Mary Parmenter will make a digest of the 1938 report on College-Alumnae Relationships by Anna Mary Blount Vancer. This meeting is also open to the entire campus community and will be served for the visitors. Dr. Mary Parmenter, who is chairman of local committees, is supervising this portion of the program.

In the evening the activities will be in a lighter vein. Everyone is invited to meet at nine in the Little Theater, where Eloise Kelly Cook, '27, will "voice" the History mouse and the slides showing Hollins in past decades. Then Virginia Egolf Walkers, '29, will provide everyone with words and music and lead the greatest alumnae sing ever heard at Hollins.

At 8:30, Tuesday morning, there will be a business session to be attended by the members only. On the council various groups are represented, including the alumnae clubs, organized classes, chairmen of all standing committees of the Alumnae Association, officers of the association, and the alumnae members of the Board of Trustees. The campus is represented in the following members: From the senior class, Margaret Anderson, president of the Student Government Association, Hall Neff, class president, and Mary Statler Jefferson; from the junior class, Rosa Blake Hodges, president, Anne Frinkley and Kitty Lee Palmer; non-alumnae members from the faculty, Mary Parmenter, Sunie Blair and Mary Frances Williams; from the administration,Bessee Carter Jefferson, president, and Leslie Blanchard, dean.

Hollins Goes on Shopping Spree on March Fourth

Whether you consider it early or late, do your spring shopping on March 4 at Heironimus!

In the first place, the Hollins Endowment Fund is going to receive a percentage of all the money taken in at the store that day from cash pur chasees and as payment on bills, so go yourself and urge all your friends to go, too. What do we get in return? Why, it's a gift, simply to keep our relationship on the best of terms.

In the second place Heironimus will be the pleasantest shopping day of your life. The salesmen will be in the stores in full uniform to guide you in your purchases and refreshments to keep the inner woman content.

In the third place, the store itself is going to be selected with a particular eye to what Hollins girls like to buy. So keep a raincoat on hand for Hollins Day at Heironimus, the first sign of spring.

Dancers

In 1936, they have added six new major pieces to their repertoire. Their most recent innovation is "Paisley" (Buchanan), "Miss Humphrey and 'Opus 31" (Vivian Fine) by Mr. Weidman. Both were composed at the Bennington School of Dance last summer.

Their famous technique is taught all over the country. Miss Humphrey and Mr. Weidman themselves, teach at Columbia University, New York University, Bryn Mawr and Temple University. For their compositions they prefer music made to order. They have only two classical numbers—"Variations on a Theme of Handel" (Ibrahim) and "Pasacaglia." Lionel Nowak is the pianist who travels with the group. Also featured with the group are many dances of people and groups of students. Among them are Joe Livorni, who was born in Mexico, Katherine Litt, Harriette Anne Grey, Katherine Mann and William Bole.

The tentative program for this evening is as follows:

I. To the Dance, Arr. by Norman Lloyd; 2. Traditions, Lehman Engel; 3. Pasacaglia in C minor, J. S. Bach; 4. New Dance, Wallingford Riegger (Part 5, Processional, Part 6, Cebhension); 5. Part 7, Variations and Conclusion.)

the assembly joining in the second verse. There will be coffee in the drawing room for everyone following the banquet. For Seniors and Sophomores immediately after the banquet from 8:00 to 8:30; and for Juniors and Freshmen from 8:30 on.

The emphasis of Founder's Day is two-fold: To honor the memory of Dr. Cocke himself and to pay tribute to his liberal and progressive spirit, which gave us not only our college but also ideals of education toward which to strive, inspired with the thought of the founder's unceasing efforts to give women a treasure, the privilege of learning.
