Dear Ann -

Congratulations on yet another well-deserved, well-earned victory. Let's hope you don't have to fight for another. Who would have thought, so many years ago, when we first met after my testimony, that you'd still be rehashing this stuff now. I still believe in what I said then, and I am happy to see that it has stood the test of time with Gezell.

The APA amicus is causing some interest (pro + con), and we will send you a copy of our commentary on it, should it be accepted for publication.

Meanwhile, I am expecting a baby in the next four weeks - a girl, to reap the benefits of battles we're fighting now.

Best regards - Susan

Dear Madalena:

These words were part of a speech given by Jill Russek to the 1977 Convention of the National Women's Political Caucus.

Jill was speaking specifically of the effort to pass the ERA, but I think her words apply to the many struggles women face today.

Thank you for your part in helping to reduce the results of

sex discrimination. I am sorry that
the gains made for women had
to come at the great personal
pain & expense of you and your
family, and I hope you know
that your historic role is
appreciated.

As a former PW Audit Staff
Accountant, I know a lot of
women who shared my cheers at
each of your victories.

With Best Regards,
Erle Alexander

We are in for a very, very long haul...
I am asking for everything you have to give.

We will never give up...

You will lose your Youth, your Sleep,
your Patience, your Sense of Humor
and occasionally... the understanding & support
of people that you love very much

In Return, I have nothing to offer you but...

Your Pride in being a woman, and
all your Dreams you've ever had for your daughters,
and nieces, and granddaughters...

Your Future

and the certain Knowledge that

at the end of your days

you will be able to look back and say that

Once in your life
you gave Everything you had
for Justice
