Mr. Rath Takes Leave of Hollins Soon

We had a letter dated May 12th, from Mr. Rath, the Head of Music Department at Fort Valley State College, that he would be leaving us for some time to make a trip to Europe. He stated that he was highly interested in music, had been a music instructor for many years, and had made a study of music. He said that he would be gone for two months before returning to his work. He said that he was looking forward to the trip, and that he would be gone for two months.
When it comes to athletics, the seniors certainly have been in there. There doesn't seem to be anything they cannot do in the line of sport. Straight through their four years, members of the Class of '39 have held top ranking positions in hockey, basketball, tennis and track.

In 1936, "when they were very young," and supposedly given and expected in the ways of the campus, they gave representatives of their class to both varsity hockey and basketball, not forgetting their support of the Odds and Mohicans. The then-booster of Miggie Jones, Peggy Lee and Lita Alexander made varsity hockey, and Miggie came through again in varsity basketball. There were five members of '39 in the Riding Club and that coy young Sadie Rice ran away with her class championship in tennis. During her freshman year, Miggie Jones (naturally) was elected to represent her class on the Athletic Board.

Star as Sophomores

When 1937 rolled around, '39 had really learned the rules of things. They had free representatives on the Odyssey hockey team and four on the varsity, namely: Lita Alexander, Barbara Doty, Miggie Jones and Peggy Lee. Evelyn Fry, Ida Schmitt and Liz Street joined the Riding Club and Lita Alexander won the honor of being president of the association in her sophomore year. Sadie Rice won the sophomore tennis and Margaret Porter came to the limelight on the golf course. The class won additional honors when Barbara Doty and Peggy Lee were taken into the Monogram Club. Not only were they talented ones showing real spirit, but the whole class participated whole-heartedly in all sports. They won the class hockey match in their freshman year and retained the championship in 1937 in great style. The sophomore basketball team practiced hard and played well.

As Jolly Juniors

In their junior year, the '39-ers were really exerting quite an influence over the rest of the school. They won the class hockey for the third time in succession, and Barbara Doty, Miggie Jones and Peggy Lee retained their positions on the varsity. Peggy Lee was elected vice-president of the Athletic Board and Margaret Porter chairman of golf. Dotti Schmitt took over her classmate Lita Alexander's job as president of the Riding Club and did it beautifully. The class now had five representatives in the Monogram Club: Lita Alexander, Harriet Clarkson, Peggy Lee, Barbara Doty and Miggie Jones. This bunch seemed to be winning most of the laurels for '39.

When 1939 finally came, and the freshmen of '36 were high and mighty seniors, the college was well aware of their existence...in more ways than you can count. In the field of athletics, they continued to hold top ranking positions. Most of the girls who distinguished themselves as seniors were merely repeating the excellent jobs they had done in the preceding years. Peggy Lee was named president of the Athletic Board and Miggie Jones, the wizard of the hockey stick, took over the chairmanship of the sport. Harriet Clarkson became chairwoman of the basketball court and worked like a Trojan to make it a grand season. Both Miggie Jones and Harriet Clarkson retrained their positions on the varsity hockey team. Half Neff was elected chairman of tennis and ran off immortal tournaments with great success. Lita tried her darts to make the swimming meet popular and did a very creditable job as chairman of the "water works." Barbara Doty certainly had been in the Monogram Club long enough to know the ropes, and was elected president in her senior year.

What more could a class do?

During their four years at Hollins, the class of '39 has depended upon the two-spirit and unexcelled ability of these girls. Miggie Jones was awarded the highest honor the school has to offer for her wonderful work in athletics, and Peggy Lee, Lita Alexander, Barbara Doty, Harriet Clarkson and others have been the backbone of '39's success on campus. Gracie Trinkle has also exerted herself unselfishly for the athletic department. We'll miss this grand crew next year as we many ways and most of all on the hockey field, basketball court, tennis courts and one pastime (golf links). It's going to be hard to find the girls to fill their shoes next fall.
