Dear Ms. Hopkins,

Congratulations!! I commend you for taking suit against Price Waterhouse. And, I would like to congratulate you for winning the law suit. It was a personal victory for you and a major victory for women. It is people like yourself who expend money, time, effort and emotional fortitude that make a major contribution to those women that follow.

Again, I commend you.

The difficult part is most likely in front of you - working at Price Waterhouse and getting them to admit defeat. Good Luck!

Sincerely,

Kathleen T. McGahran
Associate Professor
