And to the student body we say—let us see more enthusiasm on the Hollins campus with the coming of 1940. Let us resolve to gain as much as we possibly can from this higher education. Let 1940 be a banner year. Let us have more widespread student participation in the numerous campus activities and fewer students participating in all of the activities. Let us see how much we, ourselves, can give to Hollins life before we attempt to evaluate that which we receive from this life.

The Night Before...

Pome and Stuff

Pome… a la McCliskey

So you want to go home? But think what you’ll miss! No tea house, no Keller, No bull sessions, such bliss! What fun will you have away from your rut? You know how it is, Oh, yeah, and oh, but…

No soup and no salad No convos till ten No chance to recover Then get it again.

No, we want to get home To our Mother and Dad Who know what to tell us ‘Bout the good and true bad It’s not we’re unhappy, We just need the rest.

For our,….. study schedules Are not at their best. So it’s good-bye, dear friends, May you have good cheer Be the beacon to us To renew our old ties.

It was **Hit or Miss**
in Grandfather's Day

When your grandfather needed tobacco he probably went to the tobacconist in his community and had a lot of fun blending different types of tobacco together and trying out the different mixtures.

He may have finally hit on a combination of tobaccos that was pretty much to his fancy... that tasted all right to him and wasn't too strong. So the tobacconist, with an eye to future business, would make up this private blend and keep some of it on hand for him.

**This Hit or Miss Method** of tobacco blending was never very satisfactory. But it proved one thing to both smokers and manufacturers, that you must have a blend of tobaccos to get better smoking results, because no one tobacco by itself has all the qualities necessary in a good smoke.

The Chesterfield tobacco buyers select and bid in at the auction sales the tobacco types that best fit the Chesterfield blend, which is the right combination of exactly the right amounts of Maryland, Burley and Bright with just enough Turkish. These tobaccos and the Chesterfield way of blending them make Chesterfield different from any other cigarette.

That is why there are millions of enthusiastic Chesterfield smokers clear across the country. They find Chesterfield cooler, better-tasting and definitely milder... just what they want for real smoking pleasure. You can't buy a better cigarette.
