Dear Ann,

What a wonderful surprise to receive So Ordered last week! I am so proud of you - I could never have seen it through and despair of ever finishing the State Bar report on legal opinions I'm working on now.

It's even better on re-reading, and I appreciate your complimentary mentions of me and my case. It seems a long time ago now although a law school cousin told me recently they've studied it in several different courses. I told her about your book!

Many, many thanks.

Fondly,
Betty
