Senter Is Elected Junior Officer

On Tuesday, October 13, the Junior Class elected June Senter to the office of Vice President. Miss Senter has held many important positions on campus. She is a Graduate Student representative on the House Council, a member of the Social Committee. She has also worked on Hollins Columns for two years and she is now in charge of the Sophomore Prom.

Miss Senter has been an active member of the Y.W.C.A. in Norfolk last year. She helped with the annual Christmas party for the children of the Hollins community, and this year she worked on the arrangements for the Freshman party.

The most important duty of the Vice President is to act as chairman of the committee. She will be responsible for the Sophomore Prom.

Winship to Edit Hollins Handbook

Lillian Winship

The Executive Council has recently announced the appointment of Lillian Winship as editor of the Hollins Handbook for the academic year 1943-44.

Winship is also an ex-officio member of the Executive Council and during the next few weeks she will appoint the business manager and four other members of the council to assist her in the work.

Besides holding this office, Miss Winship is treasurer of the Junior Class and will act as advisor to the students.

Executive Council Coordinates Work

At the Student Government meeting, October 20, Marilyn Grobmeyer, President, announced the basic plan for the work of the Student Government for the year. Mrs. Grobmeyer pointed out, the main purpose of the Student Government is to act as a coordinating element for all student life. Their plans then, are in accordance with this purpose.

Council plans, first, to check—and change, if necessary—the recording system. This is the method by which the various offices on campus are evaluated according to time, work, and responsibility. They are also going to review the election system set last year in order to improve the rough spots. A plan to hold monthly group leaders in the work will also be considered.

The biggest undertaking planned is the rewriting of the constitution. Until the Legislative Committee and Executive Council have had a chance to meet, it is felt that one constitution covering both of these sections of Student Government would be more efficient.

They have discussed the functioning of the Honor System and its new setup is another aim for the year. By planning to work with the Student Government, the Executive Council will act as advisor to the students.

Necessary Price Rise Begins at Tea Room

Due to the increased cost of materials, it is now necessary for the Tucker Tea House to make several changes in its price schedule. On October 13, 1942, a resolution of the Executive Council was made in the following terms:

Wool, $27.00; Wool, $30.00; Wool, $37.50; Wool, $50.00. This includes the price of the tea house from the tea house toward its building, equipment, and staff.

The temporarily announced change in price scale has come about because of the rise in food costs. It is necessary to be employed by three more staff members of the Tucker-Wool House.

Since there has been a rise in the number of students on campus, it is necessary to add new employees to the School of Nutrition.

Some of the changes which will be made are:

1. In order to purchase the proper amount of tea the students will be given an extra glass of water.

2. Coffee will be served in half-ounce cups.

3. The price of coffee will be $0.05 per cup.

4. The price of tea will be $0.05 per cup.

Committee Studies Petition Problems

On Wednesday, October 14, Molly Weeks opened the second meeting of the Committee to Study the Student Government's Petition. The convocation of the new students was held last year and it is necessary to study the problems that have arisen since that time.

The committee will be studying the problems of the First Year in order to decide whether the new students are being treated fairly.

The committee will meet on a regular basis in order to discuss the problems that have arisen since the new students arrived.

Hallowe'en Brings Spooks, Ghosts to Hollins Campus, Special Banquet Celebration Will be Followed by Senior Stunts

Swimming Club Grows; Members Take Tests

This year a Swimming Club, under the direction of Agnes Reid Jones, has been added to our campus activities. In order to be a member, one must have passed specific tests. Many persons have tried out. Some have completed the requirements and others are still working on them. Those who pass the preliminary tests are eligible for the next two tests. When all the tests have been completed satisfactorily, one is allowed to wear the Swimming Club emblem.

The club hopes to have a meeting soon to make plans for an exhibition of formation swimming which will be held before Christmas. There will be practices for this event which will be announced later.

Isabel de Palencia Comes to Hollins; Author Speaks at Convocation

Last night in the Little Theatre, Isabel de Palencia, the distinguished Spanish author, spoke on the subject of "Religion and Women in Spain." Isabel Oyarzabal de Palencia has had a most exciting career, ranging from a career in politics and journalism. It is perhaps not surprising, therefore, that she is associated with the Spanish revolt and woman's suffrage. Her first ambition was to be an actress, but after her marriage she left the stage to become editor of Spain's first woman's magazine, La Dama. From that time on she worked on various newspapers. She was war correspondent for the British and the American staff of El Sol, a Madrid newspaper.

After her first war, Isabel de Palencia was made Spanish delegate to the League of Nations. A few years later she served as minister to Sweden, being the first woman to hold such a position. She has also been minister to Finland, and served on various international committees.

In 1940, the first woman's magazine, La Dama, was established. She has become a "Free France," for her opposed press.

Cinema Guild Buys Film Here Saturday

On October 24 at 8 o'clock in the Little Theatre, the Cinema Guild will present its first picture, "Our Town," with William Holden and Martha Scott. There will also be a short, "Tarpey Tonight.

This year a large number of students have participated in the benefit of this wonderful picture. This picture is an authentic reproduction of a Negro play which was first performed in 1908.

The Cinema Guild on campus for the entertainment of the students and faculty are held on a regular basis. The members are one dollar for all movies, including at least six. For nonmembers, admission will be thirty cents for each movie. Due to transportation difficulties, this year particularly, the Guild is going to have as many pictures as possible, working in conjunction with the social committee.

The moves planned for this year are: Les bas Fonds (Lower)

SCHEDULE OF EVENTS

Saturday, October 24th—

Matinee X. R. E. in Little Theatre 8:00 P. M., Little Theatre

Sunday, October 25th—

Campus Tea with Miss Morgan in Dining Room

Saturday, October 25th—

Convocation, Miss Jackson in Little Theatre

Saturday, October 24th—

Halloween Celebration 8:00 P. M., Little Theatre

Sunday, October 25th—

Dining Hall Scene 8:30 P. M., Little Theatre
SALTATION FROM THE SENIORS

I don't want to call attention to myself. There is no one in our class who would appreciate my conducting a speech or partaking in any choral performance. But the moment arrived when the time seemed proper, and I believe I shall be the first and the last to take up the task.

But Who is Winken????

Under the Dome

Last week March was making the rounds of the school. The whole campus was alive with enthusiasm. The students of the university were becoming aware of the coming of the spring, and it was apparent that the spirit of the season was upon them. The campus was buzzing with excitement as the students prepared for the coming of the March fool.

Pin Poll Reveals Hollins Popularity

Hollins College, representatives of the Associated Students of the University, W. S. Shoemaker, and W. S. Shoemaker, took steps to encourage students to participate in the Pin Poll. The purpose of the Pin Poll was to gather information on the popularity of various clubs and organizations on campus.

Music Association to Give Tea

On Sunday, October 20, at 4:00, the Music Association will sponsor a musical tea in the room of the Music Department. Refreshments will be served at the tea, and the program will consist of several musical selections. The program will be accompanied by the Hollins Chorus and the Hollins Symphony Orchestra.

Successful Contest Held on Saturday

On Saturday, October 22, the annual contest for the best essay on the subject of "The Art of Persuasion" was held. The contest was open to all members of the Hollins community, and the prize for the winning entry was a trip to New York City to attend a performance of the Metropolitan Opera.

Skirking the Field

Despite the fact that the race has begun, the Hollins College athletic teams are still in the driving seat. The Hollins women's basketball team, coached by Mr. Johnson, is off to a strong start, and the Hollins men's soccer team, coached by Mr. Williams, is also doing well.

THE HOLLINS COLUMN, OCTOBER 24, 1942, HOLLINS COLLEGE, VIRGINIA

This is the column that is read by the students of Hollins College, and it is a place where they can express their opinions and share their experiences. The column is written by students, for students, and it is a place where they can find a voice. Hollins College is a place where students are encouraged to be themselves, and where they are given the opportunity to develop their talents and pursue their passions.

In this issue, we have a variety of articles that are written by students, and that cover a wide range of topics. We have articles on the latest news from the campus, and we have articles that discuss important issues that are facing our society. We have articles that are written by students who are passionate about music, and we have articles that are written by students who are interested in athletics.

We hope that you enjoy reading this issue of The HollinsColumn. We encourage you to share your thoughts and opinions with us, and we welcome your feedback. Hollins College is a place where students are encouraged to be themselves, and where they are given the opportunity to develop their talents and pursue their passions.
The Students Discuss
Farming During War Time

Many changes have occurred in this country because of the present war situation. Among these, labor shortage has produced a foremost problem. Men who formerly cared for farm and orchards have been called into the service; there are no more hands to take their places in many instances. This shortage is expected to do their work for them for the duration. Many of the country people have pledged themselves responsible for the working of various fields and orchards and have devoted much of their time to the effort. If, and only if, it should be necessary for the collapse of this region of Virginia to do it, what do the students of Hollins think of this region of Virginia to do it? What do the students of the United States in general think of this region of Virginia to do it? Should college students be expected to do it, what do the students of Hollins think of this region of Virginia to do it, what do the students of the United States in general think of this region of Virginia to do it? If, and only if, the surrounding counties have pledged themselves to do it, what do the students of Hollins think of this region of Virginia to do it, what do the students of the United States in general think of this region of Virginia to do it? Should college students be expected to do it, what do the students of Hollins think of this region of Virginia to do it, what do the students of the United States in general think of this region of Virginia to do it?

Sarah Cooper, '43

With the prevalent shortage of farm laborers, Hollins girls could certainly do their part toward winning the war by helping out in the apple orchards in the surrounding country side. Roanoke College students have already started giving their Saturday afternoons to picking apples.628.0 Would girls be disagreeable fields? Are Hollins girls so different from the way they are doing? Paper, '43
