SEPTEMBER 2007

WYNDHAM ROBERTSON LIBRARY NEWS

WWW.HOLLINS.EDU/LIBRARY

EASIER, SAFER SEARCH IS HERE!

Our new **Online Catalog** makes your search for books, DVDs and other items easier with these useful features:

Advanced Search

Advanced lets you combine keywords, subjects and other terms to find just the item you need;

(Search History)

Search History saves your searches, so you can return to an earlier search;

Modify Search lets you add limits for dates, location, material type and more; it also lets you "Search and Sort" - sort your results by title, date and relevance.

Finally, just click on the **Book Cart** to make your own list of books to request, print out or email.

Try it out: www.hollins.edu/library

facebook

Wyndham Robertson Library now has a Facebook Group. Join us to get the latest news and events from the library—or to see our photos from the Battle of the Bins!

HOW'S YOUR CONSTITUTION?

In September, the library will feature two events to honor U.S. Constitution Day, Monday, September 17:

- The Annual Constitution Lecture will be delivered by Dr. Jong Ra, who will discuss the landmark cases and decisions of **The Warren Court, 1953-1969**. Held in the Hollins Room at 7 pm.
- An exhibit of materials on recent attempts to amend the U.S. Constitution. **Please join us!**

NO MORE SOCIAL SECURITY

To guard against identity theft, the library will no longer use social security numbers as a method to log into any of our resources. Please log in using the *last five digits* of your Hollins University ID bar code number (begins with 235590000). As before, the whole number will also work.

You will use this method to access:

- Electronic databases/E-Resources
- Electronic Reserve items
- Patron data (renew books, see books checked out etc.)

If you do not know your bar code number, please call **362-6090** for assistance, or email us at askref@hollins.edu.

WELCOME TO OUR NEW LIBRARIAN

Beth Larkee is our new Information Technology Librarian and Liaison for Div. III, natural sciences and mathematics. She comes to Hollins from the University of Illinois, where she earned her M.S. in Library and Information Science and worked on the front lines of the Help Desk at the Office of Information Technology and Research. She is well-versed in history, having earned a B.S. in History from the University of Wisconsin-Lacrosse. Computer troubleshooting is fun for Beth, who likes to play with any new technology or gadget. For the past two years she has also served as a volunteer coordinator, working with UI graduate students on service learning projects in East St. Louis and Sao Tome, West Africa to install disadvantaged regions. On her last trip to Africa she swam in the ocean, attempted to speak Portuguese, had a parasite in her foot, named a baby, and installed eight labs. We are very pleased that she has chosen our library for her next adventure!

You can reach Beth at **362-6653** or blarkee@hollins.edu.
